Gov. Msg. No. 304, dated April 24, 2009, informing the House that on April 23, 2009, pursuant to Section 16 of Article III of the State Constitution, the following bill became law without her signature, stating:

"Dear Mr. Speaker and Members of the House:

Re: House Bill No. 1186 HD1

On April 23, 2009, House Bill No. 1186, entitled "A Bill for an Act Relating to Housing Development" became law without my signature, pursuant to Section 16 of Article III of the State Constitution.

The purpose of this bill is to eliminate the Hawaii Community Development Authority's ability to accept cash in lieu of a developer's reserved housing construction requirement, except in cases of a fractional unit resulting from the percentage requirement calculation.

The Lingle-Aiona Administration shares the Legislature's goal to increase affordable housing in Hawaii. However, this legislation will likely be counterproductive to that goal by eliminating the ability to leverage cash from private sources with public dollars to develop affordable housing for working families, singles, and seniors.

The cash in lieu option has been a successful tool in the Hawaii Community Development Authority's (HCDA) reserved housing program.

It has allowed HCDA to work with other State agencies to develop hundreds of rental units throughout the Kakaako region for those who cannot afford market-rate housing.

The cash in lieu option has given HCDA the flexibility and control to develop the type and supply of affordable housing units responsive to the needs of the community. For example, the monies collected through this option have been used to time construction to periods when bids are more competitive and prices are lower. Cash in lieu payments are also leveraged with other public and private resources, such as rental housing trust funds or Hula-Mae bonds, to build a larger number or different types of affordable housing units than the developer might be required or able to provide with only private funds.

In summary, policy makers should not view HCDA's cash in lieu option in a vacuum. Rather, this program should be viewed collectively with a variety of other statutory tools, administrative rules, and home financing programs that encourage the development of affordable housing. I would encourage the Legislature to reinstate this option in future years.

For the foregoing reasons, I allowed House Bill No. 1186 to become law as Act 18, effective April 23, 2009, without my signature.

Sincerely,

/s/
LINDA LINGLE"

H.C.R. No. 24, SD 1:

Representative B. Oshiro moved that H.C.R. No. 24, SD 1, be adopted, seconded by Representative Evans.

Representative Ching rose to speak in support of the measure, stating:

"Thank you. Just in strong support, Mr. Speaker. Once again, it is always wonderful when we are able, and I commend the introducer of the measure, when we are able to tie history in to what is going on now, and for the children to be inspired. There is a lot to be inspired by the Nisei and what they accomplished in 'Going for Broke'. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and H.C.R. No. 24, SD 1, entitled: "HOUSE CONCURRENT RESOLUTION URGING THE UNITED STATES POSTAL SERVICE TO ISSUE POSTAL STAMPS HONORING THE WORLD WAR II NISEI SOLDIERS, OTHER DISTINGUISHED MILITARY UNITS IN UNITED STATES HISTORY, AND AMERICANS WHO FOUGHT AGAINST DISCRIMINATION BASED ON RACE OR NATIONAL ORIGIN," was Adopted, with Representatives M. Representative B. Oshiro moved that H.C.R. No. 56, SD 1, be adopted, seconded by Representative Evans.

Representative Pine rose to speak in support of the measure with reservations, stating:

"Yes, on HCR 56, I wanted to note my support with reservations. Basically what this Resolution does is request the United States Congress to protect wildlife and wilderness by opposing oil and gas exploration and development in the Arctic National Wildlife Refuge.

"I believe that we can somehow find a way to be for the wildlife of America and preserve the areas in the Arctic, and at the same time do everything we can to explore every possibility to lower energy costs for the American public and especially for Hawaii that pays some of the highest gas prices in the nation."

Representative Ward rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, I also rise with reservations. As we have a crisis of a budget, we have also a crisis of energy. I think as we have kept everything on the table to make sure we make our budget, we've got to keep everything on the table, including this option. Ideally we don't need it, but we should have it on the table, and this one is a bit premature because it says, 'take it off the table.' Thank you."

Representative Finnegan rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Marumoto rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative McKelvey rose to speak in support of the measure with reservations, stating:

"Thank you Mr. Speaker, with reservations. My reasons are completely different from the aforementioned, so I have to explain them. I guess that I support our U.S. Senators Akaka and Inouye as to the Arctic. Language in the Reso, I feel that the indigenous people of this area want to have some kind of responsibility to be able to utilize the resources on their land. I think that to have us tell them what to do really rubs wrong with me.

"We sit here and we advocate for indigenous people for our Native Hawaiian population, and then we turn around and tell another native

population what they can and cannot do with their resources, so along those lines I have reservations. Thank you."

The motion was put to vote by the Chair and carried, and H.C.R. No. 56, SD 1, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING THE UNITED STATES CONGRESS TO PROTECT WILDLIFE AND WILDERNESS BY OPPOSING OIL AND GAS EXPLORATION AND DEVELOPMENT IN THE ARCTIC NATIONAL WILDLIFE REFUGE AND ON THE OUTER CONTINENTAL SHELF AND SUPPORTING CLEAN, RENEWABLE ENERGY ALTERNATIVES," was Adopted, with Representatives M. Oshiro, Takai and Takumi being excused.

H.C.R. No. 65, HD 1, SD 1:

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, H.C.R. No. 65, HD 1, SD 1, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING HAWAII-AMERICAN WATER COMPANY TO IMPLEMENT AN ODOR MITIGATION PLAN FOR ITS FACILITY IN HAWAII KAI," was Adopted, with Representatives M. Oshiro, Takai and Takumi being excused.

At 12:22 o'clock p.m. on motion by Representative Evans, seconded by Representative Pine and carried, the House of Representatives adjourned until 12:00 o'clock noon Monday, April 27, 2009. (Representatives M. Oshiro, Takai and Takumi were excused.)
