
A BILL FOR AN ACT

RELATING TO THE MERGER, ACQUISITION, AND CONSOLIDATION OF
ELECTRIC UTILITIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the merger,
2 acquisition, or consolidation of an electric utility could have
3 far-reaching effects on the health of the State's citizens,
4 local industries, and environment. Therefore, it is necessary
5 that the proposed merger, acquisition, or consolidation of an
6 electric utility be subject to a thorough examination to
7 determine whether the transaction is reasonable and in the
8 public interest, and whether the successor electric utility is
9 fit, willing, and able to perform the service currently offered
10 by the existing electric utility.

11 The legislature further finds that public participation in
12 the examination of any electric utility merger, acquisition, or
13 consolidation is essential to safeguard the public interest when
14 a proposed merger, acquisition, or consolidation is considered.

15 The purpose of this Act is to:

1 (1) Establish standards to evaluate a proposed merger,
2 acquisition, or consolidation of an electric utility;
3 and

4 (2) Afford a reasonable opportunity for public
5 participation in the evaluation process.
