A BILL FOR AN ACT

RELATING TO RENTAL DISCRIMINATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that low-income
2 individuals experience extreme difficulty in finding affordable
3 rentals in Hawaii. This situation becomes all the more
4 frustrating when housing vacancy advertisements proclaim "no
5 Section 8 accepted" or "Section 8 need not apply" in an effort
6 to prevent low-income individuals with housing vouchers from
7 being considered as tenants. News reports, locally and
8 nationally, have documented that prospective tenants are often
9 rejected by landlords due to their use of housing vouchers or
10 other forms of housing assistance, or based on requirements for
11 participation in a housing program.

12 The legislature further finds that studies have shown that
13 when there are laws to prevent discrimination against renters
14 with housing vouchers, such renters are twelve per cent more
15 likely to find housing. Discrimination against housing voucher
16 holders and recipients of other housing assistance programs,
17 often termed "source of income" discrimination, is prohibited in

S.B. NO. 36

1 about a dozen states and the District of Columbia, as well as
2 numerous cities and counties throughout the United States.
3 Further, the American Bar Association adopted a resolution in
4 2017 calling for enactment of laws that ban housing
5 discrimination based on lawful sources of income. Hawaii law
6 currently does not prohibit housing discrimination based on
7 lawful sources of income.

8 The legislature notes that source of income laws do not
9 alter or restrict the standard industry practices to vet
10 prospective renters. Rather, these laws prohibit landlords from
11 rejecting prospective renters who receive housing vouchers or
12 other housing assistance simply because of the voucher or
13 assistance. The legislature believes that renters who
14 participate in housing assistance programs, such as the federal
15 housing choice voucher program, also known as section 8 housing,
16 should have an equal opportunity to find housing.

17 The purpose of this Act is to prohibit discrimination,
18 including in advertisements for available real property, based
19 on participation in a housing assistance program, or
20 requirements related to participation in housing assistance
21 programs, in rental transactions and requirements.

1 SECTION 2. The Hawaii Revised Statutes is amended by
2 adding a new chapter to be appropriately designated and to read
3 as follows:
