

STAND. COM. REP. NO.

1850

Honolulu, Hawaii

MAR 31 , 2023

RE: H.C.R. No. 19

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirty-Second State Legislature
Regular Session of 2023
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred
H.C.R. No. 19 entitled:

"HOUSE CONCURRENT RESOLUTION URGING THE DEPARTMENT OF
TRANSPORTATION SERVICES OF THE CITY AND COUNTY OF HONOLULU TO
CONDUCT A FEASIBILITY STUDY OF WIDENING THE PORTION OF
UNIVERSITY AVENUE BETWEEN MAILE WAY AND OAHU AVENUE,"

begs leave to report as follows:

The purpose of this measure is to urge the Department of
Transportation Services of the City and County of Honolulu to
conduct a feasibility study of widening the portion of University
Avenue between Maile Way and Oahu Avenue.

Your Committee received testimony in opposition to this
measure from one individual.

Your Committee finds that Manoa Valley has a population of
46,865 and is also home to the University of Hawaii at Manoa, Mid-
Pacific Institute, Noelani and Manoa elementary schools, four
private schools, sixty-three general businesses, eighteen clubs,
twenty-five community service entities, eighteen faith-based
organizations, fourteen health care centers, fourteen nonprofit
organizations, and nine kupuna care centers. Manoa Valley ingress
and egress is very limited on Manoa Road and University Avenue.
Your Committee therefore finds that there exists an immediate need
to improve traffic safety throughout Manoa Valley and one possible

2023-2910 HCR19 HSCR HMSO

way is by widening the portion of University Avenue between Maile Way and Oahu Avenue.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 19 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

For 
CHRIS TODD, Chair
