# SENATE CONCURRENT RESOLUTION

URGING THE DEPARTMENT OF EDUCATION TO STUDY THE IMPACT OF  
TEACHER SALARY STEP MOVEMENTS ON SALARY SCHEDULE  
COMPRESSION.

1           WHEREAS, the salary schedule for Hawaii public school  
2 teachers includes steps that should reflect years of experience;  
3 and

4  
5           WHEREAS, teacher salary step movements play a crucial role  
6 in determining the career progression of educators and their  
7 compensation within the Hawaii public school system; and

8  
9           WHEREAS, teachers have not always been provided with  
10 regular step movements, resulting in some teachers having  
11 decades of experience earning no more than a teacher having  
12 significantly fewer years of experience; and

13  
14           WHEREAS, as a result, very experienced teachers are  
15 "compressed" onto the same step as teachers having significantly  
16 less experience, a situation commonly described as "salary  
17 schedule compression"; and

18  
19           WHEREAS, salary schedule compression has been identified as  
20 an issue affecting the retention and morale of educators in  
21 Hawaii; and

22  
23           WHEREAS, a comprehensive study analyzing the impact of  
24 teacher salary step movements on salary schedule compression is  
25 essential to making informed policy decisions and ensuring fair  
26 and competitive compensation for teachers; now, therefore,

27  
28           BE IT RESOLVED by the Senate of the Thirty-second  
29 Legislature of the State of Hawaii, Regular Session of 2024, the  
30 House of Representatives concurring, that the Department of  
31 Education is urged to conduct a thorough study on the impact of

1 teacher salary step movements on salary schedule compression  
2 within the State's public education system; and

3

4 BE IT FURTHER RESOLVED that the study:

5

6 (1) Analyze current salary structures;

7

8 (2) Analyze the impact of step movements on salary  
9 schedule compression; and

10

11 (3) Make recommendations to improve teacher retention and  
12 satisfaction by mitigating the negative impacts of  
13 salary schedule compression through step movements;  
14 and

15

16 BE IT FURTHER RESOLVED that the Department of Education is  
17 requested to collaborate with the Board of Education, Hawaii  
18 State Teachers Association, Department of Human Resources  
19 Development, and relevant stakeholders to ensure a comprehensive  
20 assessment; and

21

22 BE IT FURTHER RESOLVED that the Department of Education is  
23 requested to submit a report of its findings and  
24 recommendations, including any proposed legislation, to the  
25 Legislature no later than twenty days prior to the convening of  
26 the Regular Session of 2025; and

27

28 BE IT FURTHER RESOLVED that certified copies of this  
29 Concurrent Resolution be transmitted to the Chairperson of the  
30 Board of Education, Superintendent of Education, Director of  
31 Human Resources Development, and President of the Hawaii State  
32 Teachers Association.
