Testimony for PSM/TRA on Mar 19, 2015 14:30PM in Conference Room 229

Comments: I support this bill as always felt, and still do, Hawaii has extremely poor state level veterans benefits especially compared to other states. For example where I was born all state veterans get free tuition at the state university but here in Hawaii we can't even seem to give folk free license plates or registration. I recommend expanding this bill out more to encompass all veterans, not just disabled ones.
