Re: SCR195/SR130 Study to Update Impact Fee Formula

Mahalo for the opportunity to testify *in support* of SCR195/SR130.

Hawaii Public Charter Schools Network (HPCSN) represents 30 of 34 public charter schools in Hawaii and is committed to quality education for all public school students through our support of, and work with, charter schools.

HPCSN sees this as an opportunity to be a part of creative solutions for public school facilities for both HDOE and charter schools. We appreciate being named as a contributing participant to this study.

Sincerely,
