Dear Ms. Furukawa:

This letter is to retract HAWAII INC's August 12, 1994 letter regarding transfer of Hawaii FYI to the Information and Communication Services Division (ICSD). The Board of Directors of HAWAII INC decided at its September 6, 1994 meeting to look further into the issues discussed in the August 12, 1994 letter before taking any final action. You will be notified of resolution of any issues pertinent to you as a private provider on Hawaii FYI.

If there are any questions or concerns, please feel free to call me at 586-4636.

Sincerely,

Arthur F. Koga  
Executive Director
