FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 2013. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including May 2, 2013, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Inquires on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Dwight Kagawa or Lori Lee Ohta. They are located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

RELATING TO MENTAL HEALTH TREATMENT.

Introduced by: Chun Oakland S

Amends provisions relating to the mental health, mental illness, drug addiction, and alcoholism law. Changes involuntary outpatient treatment to assisted community treatment. Repeals gravely disabled and obviously ill. Replaces police officer with law enforcement officer. Allows a law enforcement officer to take into custody and transport to any designated mental health program any person subject to an assisted community treatment order, issued for further evaluation and possible emergency hospitalization. Changes the term interested person to interested party. Allows the court to authorize the involuntary administration of medication where the subject has an existing order for assisted community treatment, relating to treatment and in accordance with treatment prescribed by that prior order. Provides that a person may be ordered to obtain assisted community treatment if the family court finds that the person is mentally ill or suffering from substance abuse; is unlikely to live safely in the community without available supervision based on the professional opinion of a psychiatrist; the person has received inpatient hospital treatment for mental illness or substance abuse or has been found to be imminently dangerous to self or others as a result of mental illness or substance abuse; the person based on the persons treatment history and current condition is now in need of treatment; the person has history of lack of adherence to treatment for mental illness or substance abuse; the assisted community treatment is medically appropriate and in the persons medical interest; and considering less intrusive alternatives, assisted community treatment is essential to prevent the danger posed by the person. Repeals the definition of outpatient treatment psychiatrist. Provides that the hearing on the petition need not be limited to the facts stated in the petition. Requires notice of a hearing to be served on the public defender, attorney for the subject of the petition, or other court appointed attorney as applicable; and given to such other persons as the court may designate. Provides that notice that if the subject does not want to be represented by the public defender, the subject may contact the subjects own attorney. Allows the court to adjourn or continue a hearing for failure to timely notify a person entitled to be notified. Increases hearing days from 5 to 7 for the family court to order the appointment of a public defender or other attorney to represent the subject and continue the hearing. Increases the calendar days before the filing of the petition and ending at the time of the psychiatrist's testimony. Requires the psychiatrist testimony meets all the

criteria for assisted community treatment; provide a written treatment plan, which shall include non mental health treatment; identify the provider or organization responsible for the coordination of care. Changes commitment shall not be for more than 24 hours to 48 hours. Prohibits a subject of the order to be physically forced to take medication under a family court order for assisted community treatment, except in accordance with admission to a psychiatric facility subsequent to the date of the current assisted community treatment order. Provides that a subject may be transported to a designated mental health program for failure to comply with an order for assisted community treatment by and interested party with the consent of the subject of the order or under provisions relating to emergency examination and hospitalization. Requires the assisted community treatment order to continue to apply to the subject, for the duration specified in the order, regardless of whether the treatment setting changes. Requires a treating psychiatrist to provide notice of intent to discharge and file with the family court. Requires the order for assisted community treatment to be subject to the Health Care Privacy harmonization Act. Provides that nothing shall preclude the subject's stipulation to the continuance an existing court order. Requires treatment through a designated mental health program to be pursuant to its fee schedules; however, the subject of the order shall not be denied treatment by a designated mental health program for failure to pay the fees. Requires treating psychiatrist to assess whether the subject of the order meets criteria for admission to a psychiatric facility under provisions relating to admission to psychiatric facility. Requires the assisted community treatment order to continue to apply to the subject, for the duration specified in the order, regardless of whether the treatment setting changes. Provides that nothing shall preclude the subject's stipulation to the continuance an existing court order. Provides that when the treating psychiatrist contemplates discharge for a subject of the order because of expiration of the court order or because the subject of the order is no longer a proper subject for assisted community treatment, requires the treating psychiatrist to provide notice of intent to discharge and filed with the family court which issued the order for assisted community treatment and served by personal service or by certified mail on those persons whom the order for assisted community treatment specifies as entitled to receive notice and mailed at least 10 days prior to the intended date of discharge. Increases the period that family court may order the continued assisted community treatment from 180 days to 1 year. -- Requires any treating provider wishing to file a petition for assisted community treatment to obtain historical information related to MH-1s and hospitalization of persons who are under an order to treat and track further episodes of MH-1s and hospitalization while the persons are under the order. Requires an entity designated by the department of health to gather information from treating providers related to MH-1s and hospitalization of persons who are under an order to treat and submit an annual report to the legislature. Requires the legislative auditor after consulting with the director of labor and industrial relations and representatives of relevant entities to identify the medical or health care services or procedures for which fees are a significant impediment to injured employees obtaining treatment from providers of those services or procedures and require adjustment to ensure that injured employees are able to obtain adequate access to treatment from those providers. Requires the auditor after identification of the medical or health care services and procedures and upon further consultation with the director and representatives of relevant entities, to establish a methodology for the statistically valid survey of prevailing charges necessary for the adjustment of fees. Requires the auditor after establishing the survey methodology to conduct the survey of prevailing charges for the services and procedures for fee adjustments and recommend the appropriate fee adjustment based upon the survey results. Requires the auditor to transmit the recommendations to the director no later than June 1, 2014. Allows the director to take action to adjust the fees for the medical or health services or procedures identified by the auditor as requiring adjustment. Requires the director to have the discretion to adjust the fee to the amount recommended by the auditor or another amount deemed necessary. Allows the director labor and industrial relations until January 1, 2015, to adjust the fees identified by the auditor and hold at least 1 public hearing, with at least 6 days of public notice in each county before final approval of any adjustment. Requires the auditor to recommend a formalized process for the mandatory periodic review by the director of the medical fee schedule or certain fees in the schedule.
