Comments: Dear Chair Hee and Vice Chair Shimabukuro and members of Judiciary and Labor: I want to voice my strong support for this measure. Transparency is vitally important not only in the administrative and legislative arms of government, but also in the judiciary. When the public has no information concerning possible appointees to judgeships, they feel that a significant part of the court system is beyond scrutiny. The people who make the appointments are seen to have too much power. We need to be building confidence in government, not eroding it. Please support this measure. Thank you for considering my testimony.
