**S.B. 871**  
**RELATING TO HIGHWAY SAFETY**

Senate Committee on Judiciary and Labor

---

The Hawaii Department of Transportation **supports** this bill with requested amendments that would grant driver license reciprocity between Hawaii and certain foreign countries.

We would recommend the following amendments to this bill:

Amending section (a) to read as follows, "A nonresident operator of a motor vehicle who is the holder of a current and valid license and international driving permit to operate a motor vehicle ..."

Adding a section (a) (3) to this bill to read, "If it is determined that requirements under this section do not comply with applicable federal law, the examiner of drivers, under the direction of the director, shall require the applicant to submit the required documents to the extent necessary to satisfy the requirements of the federal law."

Section 4: This Act shall take effect on January 1, 2017. Implementation of this measure will require evaluation, drafting and holding of public hearings for administrative rules needing implementation.

Thank you for the opportunity to present testimony.
