**In consideration of
SENATE CONCURRENT RESOLUTION 17
AUTHORIZING THE ISSUANCE OF A TERM, NON-EXCLUSIVE EASEMENT
COVERING A PORTION OF STATE SUBMERGED LANDS AT KANEOHE,
KOOLAUPOKO, OAHU, FOR THE USE, MAINTENANCE AND REPAIR
OF THE EXISTING CRM WALL, LANDSCAPING AREA, FLOATING DOCK, AND
CONCRETE PIER**

Senate Concurrent Resolution 17 requests the authorization to issue a term, non-exclusive easement covering 3,592 square feet, more or less, portion of state submerged lands fronting the property identified as tax map key: (1) 4-4-022: seaward of 007, at Kaneohe, Koolaupoko, Oahu for use, maintenance and repair of existing CRM wall, landscaping area, floating dock, and concrete pier constructed thereon, pursuant to Section 171-53, Hawaii Revised Statutes (HRS). **The Department of Land and Natural Resources ("Department") supports this Administration concurrent resolution.**

The current owners of the abutting property, Clifford and Renee Tillotson, worked with the Department to resolve the encroachment. The improvements were found encroaching on State lands located makai of the shoreline and such area should be considered as submerged lands. As required by Section 171-53, HRS, the Board of Land and Natural Resources ("Board") may lease submerged lands "with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution". At its meeting on July 11, 2014, under agenda item D-5, the Board approved the issuance of a term, non-exclusive easement for purposes stated above.

The grantee shall pay the State the fair market value of the easement as consideration for the use of public lands. The amount of consideration shall be determined by an independent appraisal.
