SCR151

Submitted on: 3/23/2017

Testimony for AEN on Mar 24, 2017 13:20PM in Conference Room 224

Submitted By	Organization	Testifier Position	Present at Hearing
John Bickel	Individual	Support	No

Comments: As a resident of a condo in Waikiki and a teacher of current events and issues, I see much value in vertical farming. Vertical farming could be a possible solution to accommodate both housing development and increasing our food safety concerns. I would like to eat more homegrown food. My students want to live in a sustainable environment. Vertical farming has much potential. Therefore I support this study.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
