

SB 2581 (SSCR 2352)

The King Kamehameha commission should include members from Hawaii island.

We have Kohala (birthplace of Kamehameha I) which celebrates on June 11th.

Kona had their own celebration on a Saturday

Hilo celebrates on June 11 in Hilo at Moko Ola island.

These 3 Hawaii island Kamehamhea Day celebration committees should be included to the proposed 15 count for the commission and not only Honolulu.

Monies should also be allotted for the 3 Hawaii island celebrations and not only for Honolulu.
