House Bill 407, House Draft 1, Relating to the Board of Education

Dear Chair Kidani, Vice Chair Kim, and Members of the Committee:

The Board of Education ("Board") would like to testify in opposition to HB 407 HD1, which would grant the Board the authority to appoint complex area superintendents.

The Board agrees that the complex area superintendents play a vital role for their public school communities, and they are an integral component of the Department of Education's ("Department") tri-level leadership structure. The Board currently and appropriately has approval authority over any complex area superintendent appointments made by the Superintendent.

The Board does not support proposed legislation that would prevent or hinder the Board or the Department from addressing their annual strategic priorities. Annually, the Board sets strategic priorities, which the Superintendent uses to develop her own priorities that serve as the Board's primary measures for holding the Superintendent accountable to improving public education.

To achieve her priorities, the Superintendent relies on an expansive tri-level cadre of Department leaders, which includes the complex area superintendents. Without the flexibility to hire or terminate, if necessary, the crucial members of her leadership team, the Superintendent's responsibility to meet her annual priorities and advance public education in Hawaii becomes increasingly challenging.

Further, the Board does not believe it is appropriate or effective for the Board to assume management responsibilities over Department employees and believes it should remain focused on its primary roles of education policymaker and supervisor to the Superintendent as envisioned by the Constitution of the State of Hawaii. The Superintendent should remain responsible for managing the Department and its employees, which includes personnel decisions.

We urge the Committee not to pass this measure.

Thank you for this opportunity to testify on behalf of the Board.

Very truly yours,

Catherine Payne
