Comments:

I strongly support this measure since it will resolve the submerged land area that had to be modified from the original lease to accommodate the replacement drydock when the old drydock became a total loss.

We strongly support HCR112.

HCR112 is simply an amendment to an existing resolution that was passed in 2014 and has the FULL support of the Dept of Transportation Harbors Division. We urge you to pass this resolution.

Mahalo for the opportunity to testify.
