Re: S.B. 162, Relating to Taxation

The Department of Taxation (Department) provides the following comments regarding S.B. 162 for your consideration.

S.B. 162 creates a nonrefundable income tax credit for businesses that hire individuals 67 years of age or older, and is claimed against the taxpayer's net income tax liability for the year in which it is earned, with any excess carried forward until used. The measure is effective upon approval and applies to taxable years beginning after December 31, 2018.

First, the Department notes the wages allowed as the base of this credit are also allowed as a deduction as an expense to the employer. Thus, the employer would be provided a double tax benefit-claiming both an expense deduction and a tax credit for the same costs. The Department adding the following provision to the definition of "qualified wages":

Qualified wages shall not include amounts for which another credit is claimed or a deduction is taken.

Second, the Department notes that the credit as currently written may be prone for abuse. While the measure attempts to prevent abuse by preventing the hiring of persons related to the taxpayer, it does not prevent the employers from hiring each other's employees 67 years of age or older to qualify for the credit.

Third, the Department notes that "wages" is defined to include "the cash value of all remuneration paid in any medium other than cash and the cost-of living allowances and other payments". This may lead to taxpayer confusion and compliance issues. The Department recommends that the credit be based solely on cash wages paid.

Fourth, the Department notes that there is no continuing requirement that the person remain in the employ of the taxpayer. After six months, the taxpayer could simply terminate employment, yet retain all of the credit. The Department strongly believes that there should be a minimum amount of time for which the employee must be retained, beyond the period in which the credit is calculated.

Finally, the Department requests that this credit be made applicable to taxable years beginning after December 31, 2019 to allow the Department sufficient time to make the necessary form, instructions, and computer system changes.

Thank you for the opportunity to provide comments.

TESTIMONY OF KIPUKAI KUALII
COUNCILMEMBER, KAUAI COUNTY COUNCIL
ON
SB 162, RELATING TO TAXATION
Senate Committee on Human Services
Monday, February 11, 2019

Conference Room 016

Dear Chair Ruderman and Members of the Committee:

Thank you for this opportunity to provide testimony in support of SB 162, Relating to Taxation, which is included in the 2019 Hawai'i State Association of Counties Legislative Package. My testimony is submitted in my individual capacity as a Member of the Kaua'i County Council.

SB 162 would provide a taxpayer who hires an elderly individual a nonrefundable tax credit for the six-month period after the individual is initially hired by the taxpayer. In this day and age, *kupuna* play a large role in helping to support their families by staying in the workforce and contributing towards the cost of daily necessities. SB 162 provides a tax incentive for employers to take advantage of the knowledge and work ethic that elderly individuals can bring to a workplace.

Thank you again for this opportunity to provide testimony in support of SB 162. Should you have any questions, please feel free to contact me or Council Services Staff at (808) 241-4188.

Sincerely,

KIPUKAI KUALII
Councilmember, Kaua'i County Council

SUBJECT: INCOME, Credit for Hiring Elderly Individual

BILL NUMBER: HB 180; SB 162

INTRODUCED BY: SB by KOUCHI by request; HB by SAIKI by request (Hawaii State Association of Counties Package)

EXECUTIVE SUMMARY: Provides a taxpayer who hires an elderly individual a nonrefundable tax credit for the 6-month period after the individual is initially hired by the taxpayer. The adoption of this credit would provide tax relief to taxpayers regardless of their need for tax relief. It also would shift the burden of paying for government to the rest of us.

SYNOPSIS: Adds a new section to HRS chapter 235 to allow employers to claim an income tax credit for the hiring of an elderly individual equal to 50% of the qualified wages for the first six months after the individual is hired.

Tax credits that exceed the taxpayer's income tax liability may be used as a credit against the taxpayer's income tax liability in subsequent years until exhausted. In no taxable year shall the total amount of tax credits claimed under this section exceed \$ _____ per taxpayer.

Payments between related parties are excluded, as are wages paid by any former employer.

Requires the director of taxation to prepare any forms necessary to claim a credit, may require a taxpayer to furnish reasonable information to validate a claim for the credit, and adopt rules pursuant to HRS chapter 91. Requires claims for the credit, including any amended claims, to be filed on or before the end of the twelfth month following the taxable year for which the credit is claimed. Failure to comply with the foregoing provision shall constitute a waiver of the right to claim the tax credit.

Defines an elderly individual as a person at least 67 years old.

Defines "wages" as wages, commissions, fees, salaries, bonuses, and every and all other kinds of remuneration for, or compensation attributable to, services performed by an employee for the employee's employer, including the cash value of all remuneration paid in any medium other than cash and the cost-of-living allowances and other payments included in gross income by section 235-7(b), but excluding income excluded from gross income by section 235-7 or other provisions of the Income Tax Law. For example, employer funded pensions don't count.

A job does not count as qualified employment if the individual in question has worked for the same employer at any time in the past.

EFFECTIVE DATE: Applies to taxable years beginning after December 31, 2018.

STAFF COMMENTS: This measure is proposed as an incentive to entice employers to hire an individual who is elderly, but the tax system is a poor means of achieving such social goals. Providing such credits against the state income tax merely reduces state revenues, and if the size of government does not go down, then the tax burden shifts to other taxpayers who are not able to claim the credit.

The measure is like the existing income tax credit for the hiring of vocational rehabilitation referrals. If it is the intent of the legislature to encourage the hiring of individuals with a disability, it would be preferable to amend HRS-235-55.91 to include these individuals rather than to adopt a new credit which may have loopholes and technical issues.
