Aloha Members of the Committee,

My name is John Calvert and I'm a hemp farmer living on the Big Island in the Puna district.

I'm an advocate of regulations that are friendly to hemp farmers and producers of hemp-derived products.

I recommend that this bill be amended to specifically prohibit the denial of any type of banking services to hemp-related businesses, solely or in part because a business is involved in hemp cultivation, hemp processing, or the marketing of products derived from hemp.

mahalo,

John Calvert
