The Honorable Donovan M. Dela Cruz, Chair
Senate Committee on Ways and Means
Thirtieth State Legislature
State Capitol, Room 208
Honolulu, Hawaii 96813

Dear Senator Dela Cruz:

This is in response to your Committee's request during the May 14, 2020 informational briefing for information on COVID-19 federal grants that the State has received and the associated appropriation account numbers for these grants.

Attached is a worksheet that provides the following information on federal COVID-19 awards received by the State to date:

- Department receiving award;
- Program ID where grant is being managed and expended;
- Federal Awards Management System (FAMS) reference number;
- Catalogue of Federal Domestic Assistance (CFDA) reference number;
- Appropriation account number;
- Award description;
- Date award was received;
- Amount of award;
- Federal agency making the award;
- Public Law reference; and
- Notes on award

Please note that the federal grants are a combination of new awards that were made specifically to address various aspects of the COVID-19 pandemic and supplementary awards to existing federal grants (these supplementary awards will be tracked by unique accounting codes). It should also be noted that there are a few grants that the State has not received award notices as yet, the most notable being the estimated \$50 million grant pursuant to P.L. No. 116-139 to the Department of Health for COVID-19 testing and contact tracing.

The Honorable Donovan M. Dela Cruz
