LEGISLATIVE UPDATE

OFFICE OF REPRESENTATIVE CHRIS TODD

Remote Testimony //

Due to the pandemic, the Hawai'i State Capitol remains closed to the public. For those who may be interested in submitting testimony, however, the legislature has adopted special remote testimony procedures. Additionally, all floor sessions and committee hearings are livestreamed and archived on the Hawai'i House of Representatives' YouTube page. Although these are challenging circumstances, the ability to testify remotely will give neighbor island constituents greater access to the legislative process.

Aloha e Hilo!

As the legislature enters full swing, I thought it would be helpful to provide some information about this year's unprecedented session. Currently, I am a member of three committees: Agriculture, Energy & Environmental Protection, and Judiciary & Hawaiian Affairs. My goal is to push for positive change that will help local working families in these uncertain times. If you have any questions or concerns, please contact my office at (808) 586-8480 or e-mail reptodd@capitol.hawaii.gov.

Mahalo nui and stay safe!
