A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR ACQUISITION OF A PUBLIC RIGHT OF
ACCESS TO HAENA BEACH PARK.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Haena, Kauai has
2 been identified by the department of land and natural resources
3 as having a high statewide significance. The ahupuaa of Haena
4 has been designated as a community based subsistence fishery
5 management area. Access road "E" abuts and provides access to
6 traditional fishing grounds and the community based subsistence
7 fishery management area. Lateral access to Haena beach park
8 from access road "E" has traditionally been provided across the
9 shoreline. However, the topography of this traditional access
10 is unsafe during normal high wave activity of the annual winter
11 season. It is further becoming unsafe as a result of erosion
12 and development activity along the Haena coast.

13 Access road "E" is identified by tax map key numbers
14 5-9-05: 20, 21, 22, 23, 24, 25, 26, 27, 28, and 29.

15 The purpose of this Act is to appropriate matching funds to
16 the department of land and natural resources to allow the county

1 of Kauai to acquire a safe public right of access to Haena beach
2 park.

3 SECTION 2. There is appropriated out of the general
4 revenues of the State of Hawaii the sum of \$ or so
5 much thereof as may be necessary for fiscal year 2008-2009 for
6 the county of Kauai to acquire a public right of access and
7 public transit corridor access road "E" to Haena beach park;
8 provided that no funds shall be made available under this Act
9 unless the county of Kauai provides \$ for the purpose
10 for which this sum is appropriated.

11 The sum appropriated shall be expended by the department of
12 land and natural resources for the purposes of this Act.

13 SECTION 3. This Act shall take effect on July 1, 2008.
