9 director.

10 ~~[Notwithstanding paragraphs (1) and (2), the]~~ The director may
11 allow the placement of redemption centers at greater than
12 prescribed distances to accommodate geographical features while
13 ensuring adequate consumer convenience."

14 SECTION 2. Section 342G-114, Hawaii Revised Statutes, is
15 amended to read as follows:

16 "**§342G-114 Redemption centers.** (a) Prior to operation,
17 redemption centers shall be certified by the department.

18 (b) Applications for certification as a redemption center
19 shall be filed with the department on forms prescribed by the
20 department.

21 (c) The department, at any time, may review the
22 certification of a redemption center. After written notice to

1 the person responsible for the establishment and operation of
2 the redemption center and to the dealers served by the
3 redemption center, the department, after it has afforded the
4 redemption center operator a hearing in accordance with chapter
5 91, may withdraw the certification of the center if it finds
6 that there has not been compliance with applicable laws, rules,
7 permit conditions, or certification requirements.

8 (d) Redemption centers shall:

- 9 (1) Accept all types of empty deposit beverage containers
10 for which a deposit has been paid;
- 11 (2) Verify that all containers to be redeemed bear a valid
12 Hawaii refund value;
- 13 (3) Pay to the redeemer the full refund value in either
14 cash or a redeemable voucher for all deposit beverage
15 containers, except as provided in section 342G-116;
- 16 (4) Ensure each deposit beverage container collected is
17 recycled through a contractual agreement with an
18 out-of-state recycler or an in-state recycling
19 facility permitted by the department; provided that
20 this paragraph shall not apply if the redemption
21 center is operated by a recycler permitted by the
22 department; [and]

1 (5) Remain open at least thirty-five hours per week, of
2 which not less than five hours shall be on a Saturday
3 or Sunday; provided that the center is located in a
4 high density population area as defined by the
5 director in rules; and

6 ~~[-5-]~~ (6) Forward the documentation necessary to support
7 claims for payment as stated in section 342G-119.

8 (e) Redemption centers' redemption areas shall be
9 maintained in full compliance with applicable laws and with the
10 orders and rules of the department, including permitting
11 requirements, if deemed necessary, under chapter 342H.

12 (f) The department shall develop procedures to facilitate
13 the exchange of information between deposit beverage container
14 manufacturers, distributors, and retailers and certified
15 redemption centers, including but not limited to universal
16 product code information for reverse vending machine purposes.
17 The procedures developed by the department shall allow for a
18 reasonable time period between the introduction of a new deposit
19 beverage product and the deadline for submitting universal
20 product code information to certified redemption centers
21 operating reverse vending machines.

1 (g) Consumers may request that the refund value be
2 computed by container count for loads of two hundred containers
3 or less.

4 (h) The department shall encourage the facilitation of
5 agreements between shopping center managers or owners, store
6 owners, and dealers to establish redemption centers."

7 SECTION 3. Section 342G-115, Hawaii Revised Statutes, is
8 amended to read as follows:

9 **"§342G-115 Reverse vending machine requirements.**

10 [~~Reverse~~] Properly operated and maintained reverse vending
11 machines may be used by redemption centers and dealers to
12 satisfy the requirements of section 342G-113[-]; provided that
13 the reverse vending machine is operational and accessible during
14 normal business hours of the center or store where it is
15 located. Reverse vending machines shall accept any type of
16 empty deposit beverage container and pay out the full refund
17 value in either cash or a redeemable voucher for those
18 containers that bear a valid Hawaii refund value. If the
19 reverse vending machine is unable to read the barcode then the
20 reverse vending machine shall reject the container. [~~The~~
21 ~~reverse vending machine shall be routinely serviced to ensure~~

1 ~~proper operation and continuous acceptance of empty deposit~~
2 ~~beverage containers and payment of the refund value.] "~~

3 SECTION 4. Section 342G-116, Hawaii Revised Statutes, is
4 amended to read as follows:

5 "§342G-116 Refusal of refund value payment for a deposit
6 beverage container. Redemption centers [~~shall~~] and dealers may
7 refuse to pay the refund value on any broken, corroded, or
8 dismembered deposit beverage container, or any deposit beverage
9 container that:

- 10 (1) Contains a free-flowing liquid;
- 11 (2) Does not properly indicate a refund value; or
- 12 (3) Contains a significant amount of foreign material."

13 SECTION 5. Statutory material to be repealed is bracketed
14 and stricken. New statutory material is underscored.

15 SECTION 6. This Act shall take effect on July 1, 2020.

Report Title:

Deposit Beverage Container; Dealers

Description:

Requires redemption centers and dealers in high density areas to remain open for at least thirty-five hours per week, permits consumers to request that refund values be computed by container for up to two hundred containers or less, clarifies that redemption centers and dealers may use properly operated and maintained reverse vending machines to satisfy the requirements of the bottle recycling law, and clarifies that both dealers and redemption centers may refuse to pay a refund for nonconforming containers. Allows dealers in the same shopping center to coordinate the operation of a redemption center. Requires the department of health to encourage the facilitation of agreements between shopping center managers or owners, store owners, and dealers to establish redemption centers. (SD1)
