
HOUSE CONCURRENT RESOLUTION

URGING THE HAWAII PUBLIC HOUSING AUTHORITY TO INSTITUTE A FIVE
YEAR MAXIMUM STAY FOR PUBLIC HOUSING.

1 WHEREAS, some government policies designed to assist those
2 in need may inadvertently encourage a lifestyle of poverty that
3 may be perpetuated from generation to generation; and
4

5 WHEREAS, families that continue to live in public housing
6 for years and years may not take the necessary steps to break
7 this dependence on government assistance; and
8

9 WHEREAS, one way to break this dependency may be to have a
10 policy to limit tenancies in state public housing projects to a
11 cumulative term of five years, except for veterans, elderly
12 tenants, and disabled tenants; and
13

14 WHEREAS, although this policy may appear harsh, it is
15 intended to encourage upward mobility for low- to moderate-
16 income families who are dependent on public housing; and
17

18 WHEREAS, this policy will promote integrity in the state
19 public housing system to prevent "homesteading" and long-term
20 tenancies lasting for more than one generation; and
21

22 WHEREAS, this policy will also reduce housing fraud for
23 those who take cash jobs and do not report any income; and
24

25 WHEREAS, it will also increase the supply of low-income
26 housing to give a fair opportunity to the 14,000 applicants on
27 the waiting list; and
28

29 WHEREAS, limiting the tenancies to five years will
30 encourage those in state public housing projects to become self-
31 sufficient within five years; now, therefore,

1 BE IT RESOLVED by the House of Representatives of the
2 Twenty-fifth Legislature of the State of Hawaii, Regular Session
3 of 2009, the Senate concurring, that HPHA is urged to adopt a
4 five-year limit on the cumulative term of tenancy in a state
5 public housing project by a tenant, except for a tenant who is
6 elderly, disabled, or a veteran; and
7

8 BE IT FURTHER RESOLVED that when sufficient funds become
9 available, HPHA is requested to provide tenants in state public
10 housing projects support services to encourage the successful
11 transition from state public housing including employment,
12 financial, and life-skills training; and
13

14 BE IT FURTHER RESOLVED that the current state public
15 housing tenants be adequately advised of the new policy; and
16

17 BE IT FURTHER RESOLVED that certified copies of this
18 Concurrent Resolution be transmitted to the Executive Director
19 of the Hawaii Public Housing Authority and the Board members.
