
A BILL FOR AN ACT

RELATING TO PHYSICIAN WORKFORCE ASSESSMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the State's
2 population growth and rapidly aging population will
3 significantly increase the demand for physician services.
4 Hawaii's physician workforce is also aging. Federal statistics
5 show that over a third of the State's physicians are fifty-five
6 years of age or older and can be expected to leave the workforce
7 at a time when demand is escalating. Furthermore, physician
8 shortages will likely reduce access to care, particularly for
9 neighbor island residents, the elderly, and the indigent
10 statewide. Physician workforce shortages will also
11 significantly raise the already high cost of medical care. In
12 2006, the federal government projected an across-the-board
13 national physician shortage by the year 2020. Medical
14 specialties whose physicians serve a large proportion of the
15 elderly, such as ophthalmology and cardiology, may experience
16 shortages ranging from thirty to fifty per cent. Many states

1 have published internal studies that similarly forecast
2 physician shortages.

3 The legislature finds it prudent to assess Hawaii's
4 physician workforce on a continual basis. On-going assessments
5 based on reliable physician workforce data will support
6 proactive measures to prevent or ameliorate the impact of
7 physician shortages in Hawaii.

8 The purpose of this Act is to implement statewide physician
9 workforce assessment and planning.

10 SECTION 2. Chapter 304A, Hawaii Revised Statutes, is
11 amended by adding a new section to be appropriately designated
12 and to read as follows:

13 **"§304A- John A. Burns school of medicine special fund.**

14 (a) There is established the John A. Burns school of medicine
15 special fund, to be administered and expended by the University
16 of Hawaii.

10 updating personal and professional information, that shall be
11 maintained in a secure database. The John A. Burns school of
12 medicine may disclose information specific to any physician only
13 with the express written consent of that physician."

14 SECTION 3. Chapter 453, Hawaii Revised Statutes, is
15 amended by adding a new section to be appropriately designated
16 and to read as follows:

17 "§453- Physician workforce assessment fee; license;
18 physician workforce information. When a license is renewed,
19 each physician or surgeon and each osteopathic physician or
20 surgeon shall be assessed a fee of \$60 that shall be deposited
21 into the John A. Burns school of medicine special fund
22 established under section 304A- to support ongoing assessment

1 and planning of the physician workforce in Hawaii. Payment of
2 the physician workforce assessment fee shall be required for
3 license renewal."

4 SECTION 4. The director of commerce and consumer affairs
5 shall disburse on a quarterly basis from the compliance
6 resolution fund, established pursuant to section 26-9(o), Hawaii
7 Revised Statutes, to the credit of the John A. Burns school of
8 medicine special fund established pursuant to section 304A- ,
9 Hawaii Revised Statutes, all moneys deposited in the separate
10 account established pursuant to section 453- .

11 SECTION 5. There is appropriated out of the general
12 revenues of the State of Hawaii the sum of \$ so much
13 thereof as may be necessary for fiscal year 2009-2010 and the
14 same sum or so much thereof as may be necessary for fiscal year
15 2010-2011 to implement statewide physician workforce assessment
16 and planning as provided in this Act.

17 The sums appropriated shall be expended by the John A.
18 Burns school of medicine of the University of Hawaii for the
19 purposes of this Act.

21 resolution fund the sum of \$ or so much thereof as may be

3 fund. These sums shall be reimbursed from the John A. Burns
4 school of medicine special fund to the compliance resolution
5 fund by July 1, 2010.

8 assessment of the physician workforce to the legislature, the

10 medical board no later than twenty days prior to the convening
11 of the regular session of 2011 and each odd-numbered year
12 thereafter. The report to the Hawaii medical board shall also
13 include information on the expenditure of fees collected
14 pursuant to section 453- , Hawaii Revised Statutes, to produce
15 a physician workforce plan for Hawaii.

16 SECTION 8. Statutory material to be repealed is bracketed
17 and stricken. New statutory material is underscored.

18 SECTION 9. This Act shall take effect on July 1, 2070;
19 provided that sections 3 and 4 shall be repealed on June 30,
20 2012.
