
HOUSE RESOLUTION

REQUESTING CONGRESS TO TAKE IMMEDIATE ACTION TO REDEFINE
"CORPORATE ENTITY" TO PRECLUDE THE USE OF THE TERM "PERSON"
IN THE DEFINITION.

1 WHEREAS, the Supreme Court of the United States, in its
2 ruling on *Citizens United v. Federal Elections Commission*,
3 upheld a longstanding, though illogical legal concept of
4 corporations as people; and

5
6 WHEREAS, corporations cannot by any reasonable definition
7 be characterized as people, because corporations:

- 8
9 (1) Can reside in multiple states and countries
10 simultaneously;
11
12 (2) Can conceivably exist for hundreds of years;
13
14 (3) Cannot be incarcerated;
15
16 (4) Cannot enter into a marriage contract or conceive a
17 child;
18
19 (5) Cannot independently formulate political opinions
20 separate and distinct from the board of directors,
21 executives, shareholders, or employees;
22
23 (6) Cannot obtain citizenship or be issued a passport;
24
25 (7) Cannot enlist in the military; and
26
27 (8) Cannot vote; and

28
29 WHEREAS, in *Buckley v. Valeo*, the United States Supreme
30 Court handed down a ruling on campaign spending that equates
31 money to speech; and

32
33 WHEREAS, in preliminary remarks by Chief Justice Morrison
34 Waite in the United States Supreme Court case, *Santa Clara*
35 *County v. Southern Pacific Railroad*, C.J. Waite indicated that,

1 "the provision in the 14th Amendment ... applies to these
2 corporations. We are all of the opinion that it does."; and

3
4 WHEREAS, these remarks are not included in the final ruling
5 nor are they a formal opinion of the Court, yet these remarks
6 have been used as the basis for establishing rights as "persons"
7 for corporations within the framework of the United States
8 Constitution; and

9
10 WHEREAS, the combination of these two cases provides the
11 basis for corporations to financially overwhelm the individual
12 common person in the political process; and

13
14 WHEREAS, a ruling by the United States Supreme Court cannot
15 be simply negated; now, therefore,

16
17 BE IT RESOLVED by the House of Representatives of the
18 Twenty-fifth Legislature of the State of Hawaii, Regular Session
19 of 2010, that the United States Congress is requested to take
20 immediate action by enactment of Federal Code or constitutional
21 amendment to redefine "corporate entity" to preclude the use of
22 the term "person" in the definition; and

23
24 BE IT FURTHER RESOLVED that certified copies of this
25 Resolution be transmitted to Hawaii's congressional delegation.
