A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that existing state law
2 does not allow the use of food distribution program revolving
3 funds for consultant or personal services; travel expenses; and
4 the purchase of furniture, equipment, computer hardware, or
5 office supplies. The legislature finds that these uses may be
6 allowed under 7 Code of Federal Regulations section 250.15,
7 which includes program-related expenses as allowable costs for
8 which recipient agencies may be required to pay in full or in
9 part. These program-related expenses are "administrative costs
10 such as fringe benefits, travel expenses, rent, utilities,
11 accounting/auditing services, computer services, and the costs
12 of providing program services to recipient agencies such as the
13 cost for administering and monitoring the State's processing
14 program, and technical assistance workshops". The legislature
15 finds that current state law is unnecessarily restrictive and
16 places a financial strain on the department of education's
17 funds.

1 The purpose of this Act is to remove unnecessary
2 restrictions on the use of food distribution program revolving
3 funds and allow the use of the funds to support the

7 fund shall not exceed \$2,000,000 to pay for services rendered by

9 commodity foods to the recipient agencies. Any moneys remaining
10 in the revolving fund in excess of \$2,000,000 at the end of each
11 fiscal year shall lapse to the credit of the general fund.
