

STAND. COM. REP. NO. 982 -10

Honolulu, Hawaii
March 24, 2010

RE: H.R. No. 13

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fifth State Legislature
Regular Session of 2010
State of Hawaii

Sir:

Your Committees on Human Services and Health, to which was referred H.R. No. 13 entitled:

"HOUSE RESOLUTION DECLARING THE SECOND WEEK IN OCTOBER AS
CASE MANAGEMENT WEEK,"

beg leave to report as follows:

The purpose of this resolution is to declare the second week in October as Case Management Week.

Universal Case Management and a concerned individual submitted testimony in support of this measure.

Your Committees acknowledges that case management is a collaborative process that provides critical services on a daily basis. Their assistance helps patients and their caregivers in achieving their healthcare goals. It is also widely known that case managers advocate for patient needs and help them achieve wellness and autonomy. They do this by ensuring that available resources are being used in an optimum way.

Now, because of the growing need of their services, there are over 40,000 practitioners holding a Certified Case Manager credential. And, since the spectrum of patients is increasingly varied, case managers can now also be found in multiple settings such as government agencies, health insurance companies, hospitals, and private managed care companies. So, it has become clearly evident to your Committees of the positive impact the case

management profession has had on the state of healthcare in Hawaii.

Therefore, your Committees would like to recognize their efforts as a unique and effective way of mobilizing resources to promote cost-effective, quality outcomes for a wide range of populations with varied healthcare needs.

As affirmed by the records of votes of the members of your Committees on Human Services and Health that are attached to this report, your Committees concur with the intent and purpose of H.R. No. 13 and recommend its adoption.

Respectfully submitted on
behalf of the members of the
Committees on Human Services
and Health,

RYAN I. YAMANE, Chair

JOHN M. MIZUNO, Chair
