

STAND. COM. REP. NO.

2216

Honolulu, Hawaii

FEB 12 2010

RE: S.B. No. 2729
S.D. 1

Honorable Colleen Hanabusa
President of the Senate
Twenty-Fifth State Legislature
Regular Session of 2010
State of Hawaii

Madam:

Your Committee on Health, to which was referred S.B. No. 2729
entitled:

"A BILL FOR AN ACT RELATING TO IMMUNIZATION,"

begs leave to report as follows:

The purpose of this measure is to establish the Hawaii
immunization registry to maintain a single statewide repository of
immunization records.

Your Committee received testimony in support of this measure
from Department of Health; Kaiser Permanente; Hawaii Medical
Service Association; Hawaii Family Forum; Hawaii Association of
Independent Schools; Hawaii Association of Health Plans; and two
individuals. Written testimony presented to the Committee may be
reviewed on the Legislature's website.

The purpose of establishing a single statewide repository of
immunization records is to aid, coordinate, and help promote
efficient and cost-effective screening, prevention, and control of
vaccine preventable diseases, including pandemic influenza. For
patients who change health care providers, the Hawaii immunization
registry will be accessible by their new provider to ensure that
patients receive the immunizations they need while preventing the
administration of unnecessary doses of vaccine.

Your Committee has amended this measure by making technical,
nonsubstantive amendments.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2729, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 2729, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Health,

DAVID Y. IGE, Chair

The Senate
 Twenty-Fifth Legislature
 State of Hawaii
