Re: Testimony On The Nomination of Roy M. Sasuga To The Motor Vehicle Repair Industry Board; Wednesday, March 11, 2009, 9:00 a.m.; Conf Room 229.

Dear Senator Baker and Committee Members:

My name is Steven J.T. Chow and I am writing in support of the nomination of Roy M. Sasuga as a public member to the Motor Vehicle Repair Industry Board (MVRIB). Initially, I want to disclose that I am presently a Board member with the MVRIB, but, I ask that you please consider my testimony based on my personal knowledge of Mr. Sasuga.

I am a licensed attorney and have known Mr. Sasuga since 1981 when he was with Island Insurance Company, Ltd. ("Island Insurance"). At the time, I handled cases referred by Island Insurance and I had regular contact with Mr. Sasuga while working on those cases. I have not worked with Mr. Sasuga since he left Island Insurance, however, while we did work together, he had always shown me to be a tireless worker who communicates well with everyone that works with him. He was always prepared and exhibited excellent "common sense" in his approach to issues and was well respected as being "fair" in his approach to problem solving. I have no doubt he will bring the same high level of preparedness, work product, communication skills and enthusiasm to the MVRIB. Having been a MVRIB Board member for two years now, and having seen the type of issues that are brought before the MVRIB, I can definitely say that Mr. Sasuga will be a valuable resource and asset to the MVRIB if his nomination is confirmed.

The above is my humble opinion based upon my personal knowledge of and experience with Mr. Sasuga and I would urge you to please support his nomination to the MVRIB. I would be happy to provide you with any additional information. You can contact me at (808)523-2999, ext. 208 or by email at schow@paclawgroup.com. Thank you once again for your time and consideration.

Very Truly Yours,

Steven J.T. Chow

RE: Testimony on nomination of Roy Sasuga, Motor Vehicle Repair Industry Board

Dear Senator Baker and Committee Members:

I am writing in support of Roy Sasuga to the Motor Vehicle Repair Industry Board.

I have known Mr. Sasuga for the last 28 years; as an employer and business associate. I worked for Mr. Sasuga at Island Insurance for nearly 20 years in the Claims Department. Roy was the AVP of Claims and later the Claims Manager. Roy was knowledgeable, fair and very popular among all the employees. Roy has an unflappable personality which is very important in the claims arena. More importantly Roy managed upward to 60 people while being very involved in his children's lives and the community. Later, Roy changed positions and is now is the liaison between many large accounts and various insurance companies. I work for one of those companies and know that Roy is successful in this new venture because of his knowledge and excellent communication skills.

Personally I have sought Roy's opinion on issues ranging from child rearing to the selection of a good attorney. Roy is always helpful and resourceful which I believe will make an excellent Board Member. Please feel free to call me if you need additional information. Thank you.

Sincerely,

Re: Testimony Re Nomination of Roy M. Sasuga
To The Motor Vehicle Repair Industry Board;
Tuesday, March 10, 2009, 8:30 a.m.

Dear Senator Baker and Committee Members:

Thank you for this opportunity to present background about myself in your consideration of my confirmation to the Motor Vehicle Repair Industry Board.

I was born in Honolulu and raised in Makiki. I graduated from McKinley High School and the University of Hawaii. After graduating from the University of Hawaii, I was hired by Island Insurance Company as an adjuster trainee and for the next 30 years, I acquired the skills of a multi-line adjuster and culminating my career as the claims manager. I subsequently retired from Island Insurance Company but decided I wanted to continue working. I subsequently was hired at Atlas Insurance Agency where I am currently a Claims Consultant for the Client Consulting Group.

Although I do not currently handle any claims, I am still active in the insurance area as a consultant with emphasis on helping and advising our many clients. I am an active member of the Hawaii Claims Association and a Certified Insurance Counselor. I also have an active insurance solicitor's license. On a personal basis, I am a member of the Friends of Hickam and a member of the Honolulu Orchid Society.

I believe that I will be able to contribute to the Motor Vehicle Repair Industry Board based on the fact that while adjusting claims, I have had the extensive dealing with the automobile repair industry and the applicable laws. I understand the issues and in handling claims, I spent a majority of my time being a liaison between the repair shop and our clients. I would like the opportunity to contribute my expertise to the Board to represent and promote the Health, Safety, and Welfare of the public. Allowing to serve on the Board will be a small way for me to give back to the community which has been generous to me and my family.

I would appreciate your favorable consideration of my nomination so that I will have the opportunity give back to the community equipped with the knowledge that I have gained in my profession. I would be more than happy to provide you with any additional information if needed. Thank you once again for your time and consideration.

Respectfully submitted,

Roy M. Sasuga
