TESTIMONY IN SUPPORT OF HB 1440 and HB 1521

Chair Rida Cabanilla and Vice Chair Pono Chong and HSG committee members

Thank you very much for the opportunity to testify in strong support for HB 1692. I am, Ilalo Parayno, a retired educator and spend 40 in the DOE as a teacher and administrator.

This bill is necessary in order to give those on the waiting list a fair chance to utilize public housing. Now the eviction process is far too cumbersome and drawn out burning up much state resources and time to evict someone.

The board needs to focus on developing ways to make the mission and strategic plans to be more effective and efficient. Evictions should be ministerial and NON political.

Thank you for the opportunity to testify.
