HB 1969

Aloha Kakou,

The Kanaka Council Moku O Keawe strongly supports HB 1969. It is very important that we provide the Bureau of Conveyances information regarding our Kupuna Iwi so there is no question that the identified locations are protected from developers or excuses of inadvertent finds. There should be no reason for them to develop a surveyed area where burial preservation and/or mitigation plans are in place. Protect our Kupuna Iwi.

Pass this bill because it is the right thing to do.

Mahalo nui loa,
