

# LATE TESTIMONY

## Testimony

In SUPPORT and proposing an AMENDMENT to HB2225  
Relating to MOBILE COMMUNICATIONS  
Presented by the Hawaii Automobile Dealers Association  
To the Committee on Transportation  
for the public hearing 9 a.m. Monday February 1, 2010  
Conference Room 309

Chair Souki and members of the committee:

HADA is in support of this measure with the addition of an AMENDMENT under (c) exemptions:

Add (including): any mobile device for the diagnosis of automotive technology operated by a licensed automotive technician in the performance of work-related duties.

Respectfully submitted,

David H. Rolf  
Hawaii Automobile Dealers Association
