

SB 2458

Honorable J. Kalani English
Committee on Transportation, International
and Intergovernmental Affairs
Hawaii State Senate

Hearing: February 1, 2010, 1:15p.m.; Room 224

Re: SB 2458 – Relating To Transportation

Chair English and Honorable Committee Members,

My name is Paul Kopel and I am the Chair of the Legislative Committee for Catrala-Hawaii. Catrala's membership consists of the major u-drive companies in Hawaii and the many businesses which support the industry

Catrala supports this bill with amendments and requests you forward it to the next Committee. We respectfully suggest Section 2 of this bill be replaced with the language set forth in Exhibit 1 so the appropriation provisions are consistent with those requested amendments for SB 2461.

This Legislature with the passage of Act 226 in 2008 sought to fast-track improved services and projects relating to the u-drive (car rental) operations at Hawaii's airports.

Much has been done since the passage of Act 226 including monthly meetings by industry representatives from the mainland attending various planning and design sessions with Hawaii's DOT.

It's now time to take this Program to the next level with further planning and design and actual construction of projects. This bill provides the necessary funding for such work and will serve to help stimulate Hawaii's economy by providing critical jobs.

We thank you for your past support and respectfully urge you to pass this bill with proposed amendments.

Testimony In Support of
SB2458 RELATING TO TRANSPORTATION

By
Al Lardizabal, Director Government Relations
Hawaii Laborers' Union

To the
Senate Committee on Transportation and Intergovernmental Relations
February 1, 2010, 1:15 p.m., Rm. 224

Honorable J. Kalani English, Chair; Honorable Mike Gabbard Vice Chair and Members
of the Committee:

The Hawaii Laborers Union is in full support of the intent and purposes of SB2458 appropriating approximately \$291.3 million for the improvement, renovation, building and construction of new car rental facilities and associated facilities and work as described in the bill.

We further support the intent and purpose of utilizing funds from the Rental Motor Vehicle Customer Facility Charge Special Fund to fund various car rental facilities state-wide. These funds are derived from the collection from car renters and lessors of U-drive vehicles and therefore, should not impact State General Fund revenues.

We appreciate the opportunity to submit this testimony.
