

STAND. COM. REP. NO.

837

Honolulu, Hawaii

MAR 22 2011

RE: H.B. No. 1000
H.D. 2
S.D. 1

Honorable Shan S. Tsutsui
President of the Senate
Twenty-Sixth State Legislature
Regular Session of 2011
State of Hawaii

Sir:

Your Committees on Public Safety, Government Operations, and Military Affairs and Economic Development and Technology, to which was referred H.B. No. 1000, H.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO ENHANCED 911 SERVICES,"

beg leave to report as follows:

The purpose and intent of this measure is to expand and enhance the functioning of the Enhanced 911 Board to address the changing technologies and systems required to provide enhanced 911 services.

Your Committees received testimony in support of this measure from the Department of Accounting and General Services, Department of Labor and Industrial Relations, Wireless Enhanced 911 Board, Honolulu Police Department, Maui Police Department, Kaua'i Police Department, Hawai'i Police Department, and two individuals.

Your Committees find that the current Wireless Enhanced 911 Board does not include representation of other communications service providers. This measure expands the representation of the Wireless Enhanced 911 Board and expands the responsibility of the Board to coordinate all enhanced 911 services. Your Committees recognize that the efficient management of 911 emergency networks saves lives and dramatically reduces the liability of government entities and agencies in responding to emergencies. In addition, this measure encompasses new technologies in the field of enhanced 911 services.

2011-1766 SSCR SMA.doc

Your Committees have amended this measure by deleting its contents and replacing them with S.B. No. 1227, S.D.2. As amended, this measure retains its original provisions and makes the following amendments:

- (1) Deletes the definition of "911 coordinator" and the provision for responsibilities of the coordinator, on recommendation of the Department of Accounting and General Services;
- (2) Deletes the definition of "911 service";
- (3) Adds definitions for "database service provider" and "universal emergency number service";
- (4) Clarifies the provision specifying representation on the Enhanced 911 Board from public safety answering points on various islands, upon the recommendation of the Department of Accounting and General Services;
- (5) Exempts connections provided by a local exchange carrier providing land line enhanced 911 services through section 269-16.95, Hawaii Revised Statutes, from the imposition of the enhanced 911 surcharge;
- (6) Changes the effective date to July 1, 2050; and
- (7) Makes technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Public Safety, Government Operations, and Military Affairs and Economic Development and Technology that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1000, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1000, H.D. 2, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
