

Honolulu, Hawaii

FEB 08 2011

RE: S.B. No. 156

Honorable Shan S. Tsutsui  
President of the Senate  
Twenty-Sixth State Legislature  
Regular Session of 2011  
State of Hawaii

Sir:

Your Committee on Health, to which was referred S.B. No. 156  
entitled:

"A BILL FOR AN ACT MAKING AN APPROPRIATION FOR CERVICAL AND  
BREAST CANCER SCREENING,"

begs leave to report as follows:

The purpose and intent of this measure is to make an  
appropriation for breast and cervical cancer screening to the  
Department of Health to reach more women who are eligible to be  
screened under the Breast and Cervical Cancer Control Program.

Your Committee received testimony in support of this measure  
from the Department of Health, American Cancer Society Hawaii  
Pacific, Inc., Planned Parenthood of Hawaii, and Healthy Mothers  
Healthy Babies Coalition of Hawaii.

Your Committee finds that, excluding skin cancer, breast  
cancer is the most common cancer among American women and is  
second only to lung cancer as a cause of cancer-related death.  
Many of these deaths, which will occur disproportionately among  
women of racial and ethnic minority and low-income groups, could  
be avoided by making cancer screening services available to all  
women at risk through added appropriations, such as the one  
included in this measure.

As affirmed by the record of votes of the members of your  
Committee on Health that is attached to this report, your  
Committee is in accord with the intent and purpose of S.B. No. 156

and recommends that it pass Second Reading and be referred to the Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committee on Health,

---

JOSH GREEN, M.D., Chair

The Senate  
Twenty-Sixth Legislature  
State of Hawai'i
