

STAND. COM. REP. NO.

754

Honolulu, Hawaii

MAR 04 2011

RE: S.B. No. 745  
S.D. 2

Honorable Shan S. Tsutsui  
President of the Senate  
Twenty-Sixth State Legislature  
Regular Session of 2011  
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred S.B. No. 745, S.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO SEAWATER AIR CONDITIONING,"

begs leave to report as follows:

The purpose and intent of this measure is to add the production of air conditioning from seawater air conditioning district cooling systems as an eligible business activity in the State's enterprise zone program.

Your Committee received comments on this measure from Richard C. Lim, Interim Director, Department of Business, Economic Development, and Tourism; and the Tax Foundation of Hawaii.

Your Committee finds that adding other alternative energy production enterprises such as seawater air conditioning district cooling systems will further promote the State's goal of lessened dependency on fossil fuels. The downtown Honolulu seawater air conditioning project will generate significant construction spending and create a number of jobs.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the matter.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of S.B.

SB745 SD2 SSCR LRB 11-2481.doc

No. 745, S.D. 1, as amended herein, and recommends that it pass  
Third Reading in the form attached hereto as S.B. No. 745, S.D. 2.

Respectfully submitted on  
behalf of the members of the  
Committee on Ways and Means,

*David Y. Ige*
