## HOUSE RESOLUTION

URGING THE UNITED STATES CONGRESS TO PROPOSE AN AMENDMENT TO THE UNITED STATES CONSTITUTION FOR THE STATES' CONSIDERATION TO PROVIDE THAT CORPORATIONS ARE NOT PERSONS UNDER THE LAWS OF THE UNITED STATES OR ANY OF ITS JURISDICTIONAL SUBDIVISIONS.

1           WHEREAS, free and fair elections are essential to American  
2 democracy and effective self-governance; and

3  
4           WHEREAS, individual persons are rightfully recognized as  
5 the human beings who actually vote in elections; and

6  
7           WHEREAS, corporations are legal entities that governments  
8 create and can exist in perpetuity and simultaneously in many  
9 nations; and

10  
11           WHEREAS, corporations do not vote in elections and should  
12 not be categorized as persons for purposes related to elections  
13 for public office; and

14  
15           WHEREAS, corporations are not mentioned in the United  
16 States Constitution as adopted, nor have Congress and the states  
17 recognized corporations as legal persons in any subsequent  
18 federal constitutional amendment; and

19  
20           WHEREAS, during the 1885-1886 United States Supreme Court  
21 term, in the midst of oral arguments leading to the decision in  
22 *Santa Clara v. Southern Pacific Railroad Company*, 118 U.S. 394  
23 (1886), Chief Justice Waite stated that all the justices agreed  
24 that the Fourteenth Amendment's prohibition on state action that  
25 denies equal protection to a person applies to a state's  
26 treatment of private corporations; and

27  
28           WHEREAS, this brief but extraordinarily significant comment  
29 made by Chief Justice Waite sanctioned private corporate  
30 lawsuits against municipal and state governments for adopting  
31 laws that violate a corporation's rights even when those laws  
32 serve to protect and defend the rights of individuals; and

1           WHEREAS, the United States Supreme Court has continued to  
2 adhere to this legal position in its jurisprudence for over a  
3 century, and most recently applied it in its decision in  
4 *Citizens United v. Federal Election Commission*, 130 S.Ct. 876  
5 (2010), that eliminated many restrictions, including any total  
6 prohibition on corporate spending in the electoral process; and  
7

8           WHEREAS, the United States Supreme Court in *Citizens*  
9 created a new and unequal playing field between individuals and  
10 corporations with respect to campaign financing, negating over a  
11 century of precedent prohibiting corporate expenditures in  
12 federal election campaigns that dates back to the Tillman Act of  
13 1907; and  
14

15           WHEREAS, the *Citizens* decision has forced candidates for  
16 political office to divert attention from the interests and  
17 needs of their individual constituents to corporate interests in  
18 order to raise sufficient campaign funds for election; and  
19

20           WHEREAS, corporations are not and have never been human  
21 beings and therefore are rightfully subservient to individuals  
22 and the governments that are their creators; and  
23

24           WHEREAS, the profits and institutional survival of large  
25 corporations are often in direct conflict with the essential  
26 needs and rights of individuals; and  
27

28           WHEREAS, large corporations have used their rights to  
29 successfully seek the judicial reversal of democratically  
30 enacted laws passed at the municipal, state, and federal level  
31 aimed at curbing corporate abuse; and  
32

33           WHEREAS, these judicial decisions have rendered  
34 democratically elected governments ineffective in protecting  
35 their citizens against corporate harm to the environment,  
36 health, workers, independent business, and local and regional  
37 economies; and  
38

39           WHEREAS, large corporations own most of America's mass  
40 media and employ those media to loudly express the corporate  
41 political agenda and to convince Americans that the primary role

1 of human beings is that of consumers rather than sovereign  
2 citizens with democratic rights and responsibilities; and  
3

4 WHEREAS, the only way to reverse this intolerable societal  
5 reality is to amend the United States Constitution to define  
6 persons as human beings and not corporations; now, therefore,  
7

8 BE IT RESOLVED by the House of Representatives of the  
9 Twenty-sixth Legislature of the State of Hawaii, Regular Session  
10 of 2011, that the Legislature urges Congress to propose an  
11 amendment to the United States Constitution for the states'  
12 consideration to provide that corporations are not persons under  
13 the laws of the United States or any of its jurisdictional  
14 subdivisions; and  
15

16 BE IT FURTHER RESOLVED that certified copies of this  
17 Resolution be transmitted to the Majority Leader of the United  
18 States Senate, the Speaker of the United States House of  
19 Representatives, and the members of Hawaii's congressional  
20 delegation.
