
A BILL FOR AN ACT

RELATING TO ENVIRONMENTAL IMPACT STATEMENTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 343, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:
4 "§343- Exception to applicability of chapter. (a)
5 Notwithstanding any other law to the contrary, if at the time an
6 application for a secondary action is submitted, a primary
7 action that requires a permit or approval that is not subject to
8 discretionary consent, and that involves a secondary action that
9 is ancillary and limited to the installation, improvement,
10 renovation, construction, or development of infrastructure
11 within an existing public right-of-way or highway, the agency
12 may exempt the secondary action from this chapter; provided that
13 the environmental impacts of the secondary actions are not
14 significant.

15 (b) As used in this section:

16 "Discretionary consent" means:

17 (1) An action as defined in section 343-2; or

1 (2) An approval subject to a public hearing from a
2 decision-making authority in an agency.

3 "Infrastructure" includes waterlines and water facilities,
4 wastewater lines and wastewater facilities, gas lines and gas
5 facilities, drainage facilities, electrical, communications,
6 telephone, and cable television utilities, and highway, roadway,
7 and driveway improvements.

8 "Primary action" means any action outside of the highway or
9 public right-of-way that is on private property.

10 "Secondary action" refers to any infrastructure within the
11 highway or public right-of-way that is ancillary or incidental
12 to the primary action."

13 SECTION 2. Section 343-5, Hawaii Revised Statutes, is
14 amended by amending subsections (c) and (d) to read as follows:

15 "(c) Whenever an applicant proposes an action specified by
16 subsection (a) that requires approval of an agency and that is
17 not a specific type of action declared exempt under section 343-
18 6, the agency initially receiving and agreeing to process the
19 request for approval shall require the applicant to prepare an
20 environmental assessment of the proposed action at the earliest
21 practicable time to determine whether an environmental impact
22 statement shall be required; provided that, for an action that

1 proposes the establishment of a renewable energy facility, a
2 draft environmental impact statement shall be prepared at the
3 earliest practicable time. The final approving agency for the
4 request for approval is not required to be the accepting
5 authority.

6 For environmental assessments for which a finding of no
7 significant impact is anticipated:

- 8 (1) A draft environmental assessment shall be made
9 available for public review and comment for a period
10 of thirty days;
- 11 (2) The office shall inform the public of the availability
12 of the draft environmental assessment for public
13 review and comment pursuant to section 343-3; and
- 14 (3) The applicant shall respond in writing to comments
15 received during the review, and the agency shall
16 prepare a final environmental assessment to determine
17 whether an environmental impact statement shall be
18 required. A statement shall be required if the agency
19 finds that the proposed action may have a significant
20 effect on the environment. The agency shall file
21 notice of the agency's determination with the office,
22 which, in turn, shall publish the agency's

1 determination for the public's information pursuant to
2 section 343-3.

3 The draft and final statements, if required, shall be
4 prepared by the applicant, who shall file these statements with
5 the office.

6 The draft statement shall be made available for public
7 review and comment through the office for a period of forty-five
8 days. The office shall inform the public of the availability of
9 the draft statement for public review and comment pursuant to
10 section 343-3.

11 The applicant shall respond in writing to comments received
12 during the review and prepare a final statement. The office,
13 when requested by the applicant or agency, may make a
14 recommendation as to the acceptability of the final statement.

15 The authority to accept a final statement shall rest with
16 the agency initially receiving and agreeing to process the
17 request for approval. The final decision-making body or
18 approving agency for the request for approval is not required to
19 be the accepting authority. The planning department for the
20 county in which the proposed action will occur shall be a
21 permissible accepting authority for the final statement.

1 Acceptance of a required final statement shall be a
2 condition precedent to approval of the request and commencement
3 of the proposed action. Upon acceptance or nonacceptance of the
4 final statement, the agency shall file notice of such
5 determination with the office. The office, in turn, shall
6 publish the determination of acceptance or nonacceptance of the
7 final statement pursuant to section 343-3.

8 The agency receiving the request, within thirty days of
9 receipt of the final statement, shall notify the applicant and
10 the office of the acceptance or nonacceptance of the final
11 statement. The final statement shall be deemed to be accepted
12 if the agency fails to accept or not accept the final statement
13 within thirty days after receipt of the final statement;
14 provided that the thirty-day period may be extended at the
15 request of the applicant for a period not to exceed fifteen
16 days.

17 In any acceptance or nonacceptance, the agency shall
18 provide the applicant with the specific findings and reasons for
19 its determination. An applicant, within sixty days after
20 nonacceptance of a final statement by an agency, may appeal the
21 nonacceptance to the environmental council, which, within thirty
22 days of receipt of the appeal, shall notify the applicant of the

1 council's determination. In any affirmation or reversal of an
2 appealed nonacceptance, the council shall provide the applicant
3 and agency with specific findings and reasons for its
4 determination. The agency shall abide by the council's
5 decision.
