SB. NO. 2805

JUSTIFICATION SHEET

DEPARTMENT: Human Services

TITLE: A BILL FOR AN ACT RELATING TO PUBLIC HOUSING.

PURPOSE: To allow the Resident Advisory Board of the Hawaii Public Housing Authority (HPHA) to provide a list of at least three but no more than five names of individuals to the Governor for consideration for appointment to the resident member seat on the Board of Directors. This allows flexibility in providing a list with fewer than the five names currently required.

MEANS: Amend section 356D-6(a), Hawaii Revised Statutes.

JUSTIFICATION: When a vacancy occurs for the resident member seat on the HPHA Board of Directors, section 356D-6(a), Hawaii Revised Statutes, requires the Resident Advisory Board of the HPHA to develop a list of interested, qualified individuals for consideration by the Governor for appointment to the Board. The current statute requires the Resident Advisory Board to provide the names of five individuals. In situations where there are not five interested individuals, the Resident Advisory Board is unable to provide a list to the Governor for consideration, which can cause the resident member seat on the Board of Directors to remain vacant for extended periods. This, in turn, deprives the residents of their voice on the Board of Directors and endangers the receipt of Federal funds since the U.S. Department of Housing and Urban Development (HUD) requires the Board of Directors to have a resident member. By amending the section 356D-6(a) to allow the Resident Advisory Board to submit a list of at least three but no more than five names to the Governor, the Resident Advisory Board is better positioned

to provide the most serious, qualified, and interested candidates while still providing a diverse selection for the Governor's consideration.

Impact on the public: There should be a positive impact on the public since the Resident Advisory Board would have an easier time recruiting and filling the resident member seat on the Board of Directors.
