
A BILL FOR AN ACT

RELATING TO MOTOR VEHICLE TIRES.

10 study ways to prevent or control the problem of abandoned tires
11 littering the landscape.

- 3 determined by the department of health;
- 4 (5) A representative from each of the neighborhood boards
- 5 of affected communities, as determined by the
- 6 department of health;
- 7 (6) A representative of the tire recycling industry, to be
- 8 selected by the department of health;
- 9 (7) A representative of the vehicle recycling industry, to
- 10 be selected by the department of health;
- 11 (8) A representative of tire retailers, to be selected by
- 12 the department of health; and
- 13 (9) A representative of automobile dealers, to be selected
- 14 by the department of health.

15 (c) The task force shall be administratively attached to
16 the department of health.

17 SECTION 3. Members of the task force shall serve without
18 compensation but shall be reimbursed for expenses, including
19 travel expenses, necessary for the performance of their duties.

20 SECTION 4. The task force shall report its findings and
21 recommendations to the legislature no later than twenty days

1 before the convening of the regular session of 2013, and shall
