
A BILL FOR AN ACT

RELATING TO THE PROCUREMENT CODE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that protests under the
2 procurement code have delayed the awarding of construction and
3 design-build projects. The legislature further finds that both
4 types of projects have high economic multipliers. Thus, the
5 governor or a county mayor, as applicable, should have the
6 authority for two years to exempt the procurement of these
7 contracts from protests and administrative review of
8 nonresponsible offeror determinations. The legislature intends
9 this Act to authorize the temporary exemption of a procurement
10 from procurement code provisions pertaining only to protests and
11 administrative review of nonresponsible offeror determinations.

12 Because the exemption provided by this Act is so
13 extraordinary, the legislature finds that the public must be
14 ensured of the integrity of the process and actions under an
15 exempt procurement. The legislature further finds that public
16 confidence may be achieved by ensuring that the public has
17 access to all information concerning the procurement, except
18 trade secrets and other proprietary data.

1 The purpose of this Act is to promote economic
2 revitalization by temporarily authorizing the governor or a
3 county mayor to exempt construction or design-build procurements
4 from protests concerning the procurement and the administrative
5 review of a nonresponsible offeror determination. The governor
6 or a county mayor, as applicable, may exempt a procurement only
7 if all information concerning the procurement, except trade
8 secrets and other proprietary data, is released for public
9 inspection.

10 SECTION 2. Chapter 103D, Hawaii Revised Statutes, is
11 amended by adding a new section to part III to be appropriately
12 designated and to read as follows:

13 "§103D- Temporary exemption of certain construction and
14 design-build procurements from protest and administrative review
15 of nonresponsible offeror determination. (a) The governor or
16 the mayor of a county, as applicable, may exempt a procurement
17 for a construction or design-build contract under the governor's
18 or mayor's jurisdiction from protest under section 103D-701 and
19 administrative review of a nonresponsible offeror determination
20 under section 103D-709 if the following conditions are met:

- 1 (1) The invitation for bids or request for proposals is
2 issued by the head of the purchasing agency between
3 July 1, 2012, and June 30, 2014;
- 4 (2) The governor or mayor requires all bidders or
5 offerors, as a condition for submitting bids or
6 proposals, to agree that all bids or offers, including
7 amendments or revisions, but not trade secrets or
8 other proprietary data designated by the bidders or
9 offerors, shall be released for public inspection upon
10 award of the contract; provided that:
- 11 (A) A bidder or offeror who does not agree to the
12 requirements of this paragraph shall be deemed
13 nonresponsible for the procurement; and
- 14 (B) After award of the contract, information
15 designated as trade secrets or other proprietary

17 general or county corporation counsel, as
18 applicable, in accordance with rules of the state
19 procurement office; and
- 20 (3) The governor or mayor agrees to release for public
21 inspection, upon award of the contract, all written
22 evaluations and ratings of bids or offerors by the

1 purchasing agency or evaluation committee for the
2 procurement, if any.

3 The governor or mayor, as applicable, shall establish that
4 a procurement is exempt from protest and administrative review
5 of a nonresponsible offeror determination by issuing a
6 proclamation simultaneously with the issuance of the invitation
7 for bids or request for proposals for the procurement. The
8 proclamation shall be a public record.

9 (b) Simultaneously with the award of a contract for an
10 exempt procurement, the governor or mayor, as applicable, shall
11 release for public inspection the information specified under
12 subsection (a) (2) and (3).

13 (c) The governor or mayor, as applicable, shall post on
14 the state or appropriate county website, as applicable, a list
15 of all price adjustments and change orders approved for a
16 contract, for an exempt procurement. The list of price
17 adjustments and change orders shall be posted on the state or
18 county website within ten days of the end of the quarter in
19 which the price adjustment or change order is made.

20 (d) For the purpose of this section, "nonresponsible
21 offeror determination" means a determination of

1 nonresponsibility of a prospective offeror under section 103D-
2 310(b) ."

8 section 103D- . Part I of chapter 92 shall not apply to
9 discussions, deliberations, or decisions required to be
10 conducted or made confidentially under this chapter[-]; provided
11 that if the governor or the mayor of a county exempts a
12 procurement pursuant to section 103D- , this confidentiality
13 provision shall not be applied to make confidential any
14 information required to be made public under section 103D- ."

15 SECTION 4. Section 103D-303, Hawaii Revised Statutes, is
16 amended by amending subsection (h) to read as follows:

17 "(h) In cases of awards made under this section, non-
18 selected offerors may submit a written request for debriefing to
19 the procurement officer within three working days after the
20 posting of the award of the contract. Thereafter, the
21 procurement officer shall provide the non-selected offeror a
22 prompt debriefing. Any protest by the non-selected offeror

1 pursuant to section 103D-701 following debriefing shall be filed

3 (b) The chief procurement officer or a designee, prior to
4 the commencement of an administrative proceeding under section
