# HOUSE CONCURRENT RESOLUTION

URGING THE STATE OF HAWAII TO PARTICIPATE IN THE COASTAL AND  
MARINE SPATIAL PLANNING INITIATIVE OF THE WHITE HOUSE  
COUNCIL ON ENVIRONMENTAL QUALITY, INTERAGENCY OCEAN POLICY  
TASK FORCE.

1           WHEREAS, the federal government through the White House  
2 Council on Environmental Quality, Interagency Ocean Policy Task  
3 Force is commencing an initiative to manage coastal marine  
4 areas using a process called coastal and marine spatial  
5 planning; and  
6

7           WHEREAS, coastal marine areas are the boundaries of all of  
8 the Hawaiian Islands; and  
9

10           WHEREAS, the native Hawaiian community has the longest  
11 historical utilization of these coastal areas; and  
12

13           WHEREAS, the native Hawaiian community traditional access  
14 and gathering rights are being diminished, threatening  
15 traditional cultural practices; and  
16

17           WHEREAS, the interruption of long and continuous uses  
18 diminishes the rights of native Hawaiians and further prevents  
19 traditional cultural practitioners from participating in natural  
20 resources management; and  
21

22           WHEREAS, the current rules and regulations regarding  
23 coastal marine areas favor recreational and other uses over  
24 traditional cultural practices, interrupting long and continuous  
25 activity that is the test for traditional cultural rights and  
26 practices; and  
27

28           WHEREAS, the native Hawaiian community wishes to manage  
29 their coastal marine resources based upon the resources and  
30 practices prevalent in their areas, place-based management using

1 traditional values and generational knowledge, the system of  
2 best practices for natural resources management in Hawaii; and  
3

4 WHEREAS, submerged lands underlying all of the navigable  
5 waters of the State are ceded lands and ceded lands are held in  
6 trust for the benefit of native Hawaiians under section 5(f) of  
7 the Admission Act (Public Law 86-3); and  
8

9 WHEREAS, rules and regulations that govern the use and  
10 disposition of these ceded lands and the natural resources on  
11 them are created without consultation or compensation to the  
12 native Hawaiian beneficiaries, leaving native Hawaiian  
13 communities without a voice or representation in the process;  
14 and  
15

16 WHEREAS, Kamehameha III divided the lands and natural  
17 resources in Hawaii between the crown, chiefs, and commoners  
18 (maka 'ainana), and the crown and chiefs are no longer present,  
19 leaving the maka 'ainana responsible for the disposition,  
20 protection, and health of these lands and resources; and  
21

22 WHEREAS, the maka 'ainana cannot relinquish their  
23 responsibility to Hawaii, these lands, and their ancestors and  
24 must participate in the rules and regulations and the  
25 disposition of their trust; now, therefore,  
26

27 BE IT RESOLVED by the House of Representatives of the  
28 Twenty-sixth Legislature of the State of Hawaii, Regular Session  
29 of 2012, the Senate concurring, that the State of Hawaii,  
30 particularly the Office of Hawaiian Affairs, Department of  
31 Hawaiian Home Lands, Department of Land and Natural Resources,  
32 and Department of Health, are urged to participate in the  
33 coastal and marine spatial planning initiative of the White  
34 House Council on Environmental Quality, Interagency Ocean Policy  
35 Task Force; and  
36

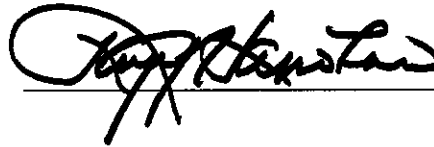

# H.C.R. NO. 116
