
A BILL FOR AN ACT

RELATING TO MOTOR VEHICLE TIRES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that discarded motor
2 vehicle tires continue to blight Hawaii's neighborhoods,
3 particularly in rural and isolated areas. With the repeal of
4 the motor vehicle tire surcharge, the department of health lost
5 a vital source of funding to promote tire recovery and prevent
6 illegal dumping. Subsequent personnel and operating budget cuts
7 have made it difficult for the department to address this
8 critical issue.

9 The purpose of this Act is to establish a task force to
10 study ways to prevent or control the problem of abandoned tires
11 littering the landscape.

12 SECTION 2. (a) The director of health shall convene a
13 task force to study ways to prevent or control the problem of
14 abandoned tires littering the landscape.

15 (b) The task force shall be composed of:

16 (1) The director of health, or the director's designee;

17 (2) The chairperson of the board of land and natural
18 resources, or the chairperson's designee;

- 1 (3) A representative of the city and county of Honolulu
- 2 department of environmental services;
- 3 (4) A representative of the Honolulu police department;
- 4 (5) Elected officials of affected communities, as
- 5 determined by the department of health;
- 6 (6) A representative from each of the neighborhood boards
- 7 of affected communities, as determined by the
- 8 department of health;
- 9 (7) A representative of the tire recycling industry, to be
- 10 selected by the department of health;
- 11 (8) A representative of the vehicle recycling industry, to
- 12 be selected by the department of health;
- 13 (9) A representative of tire retailers, to be selected by
- 14 the department of health;
- 15 (10) A representative of automobile dealers, to be selected
- 16 by the department of health;
- 17 (11) A representative of Ka Wai Ola O Waianae; and
- 18 (12) A representative of the Naval Facilities Engineering
- 19 Command.
- 20 (c) The task force shall be administratively attached to
- 21 the department of health.

1 (d) No member of the task force created by this measure
2 shall be made subject to chapter 84, Hawaii Revised Statutes,
3 solely because of that member's participation on the task force.

4 SECTION 3. Members of the task force shall serve without
5 compensation but shall be reimbursed for expenses, including
6 travel expenses, necessary for the performance of their duties.

7 SECTION 4. The task force shall report its findings and
8 recommendations, including any proposed legislation, to the
9 legislature no later than twenty days before the convening of
10 the regular session of 2014, and shall be dissolved on December
11 31, 2013.

12 SECTION 5. This Act shall take effect upon its approval.

Report Title:

Used Motor Vehicle Tires; Task Force; Established

Description:

Establishes a task force to study ways to prevent or control the problem of abandoned tires. (CD1)
