

STAND. COM. REP. NO.

2191

Honolulu, Hawaii

FEB 15 2012

RE: S.B. No. 2827
S.D. 1

Honorable Shan S. Tsutsui
President of the Senate
Twenty-Sixth State Legislature
Regular Session of 2012
State of Hawaii

Sir:

Your Committee on Health, to which was referred S.B. No. 2827
entitled:

"A BILL FOR AN ACT RELATING TO THE TRAUMA SYSTEM SPECIAL
FUND,"

begs leave to report as follows:

The purpose and intent of this measure is to add to the uses
of the monies in the trauma system special fund the costs of
staffing and operating the State's injury prevention program.

Your Committee received testimony in support of this measure
from the Department of Health and the American Medical Response.

Your Committee finds that injury is the leading cause of
death and disability in individuals between one to forty-four
years of age and that prevention programs are the most cost-
effective method to reduce the risk of injury and the resulting
burden of care. Your Committee would also like to note that
monies from the trauma system special fund shall not fund more
than four positions in the State's injury prevention program and
that only persons whose work is directly related to the injury
prevention program shall receive funds from the trauma system
special fund.

Your Committee has amended this measure by inserting an
effective date of January 1, 2050, to allow for further
discussion.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2827, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 2827, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JOSH GREEN, M.D., Chair

The Senate
 Twenty-Sixth Legislature
 State of Hawai'i
