RE: HB 42 Relating to Public Order

**LATE TESTIMONY**

POSITION: STRONG SUPPORT

Thank you for this opportunity to testify in strong support of HB 42, which would make permanent the prohibition against urinating and defecating in public within the boundaries of downtown Honolulu.

For those of us who live downtown, public urination and defecation not only proves a real health risk, but also tarnishes the reputation of the community. Area residents and their children should not be subject to such vile conditions. Further, the Honolulu Police Department has supported similar bills in the past and has aided in enforcing it over the past seven years.

Please help us to improve this serious condition where we live by supporting HB 42.

Sincerely,

Fetu Kolio
