
A BILL FOR AN ACT

RELATING TO HYDROGEN FUELING STATIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. (a) The high technology development
2 corporation shall establish a hydrogen fueling station
3 demonstration project in counties with a population of not less
4 than one hundred seventy thousand residents. The demonstration
5 project shall be funded and operated through public and private
6 partnerships established by the high technology development
7 corporation with other state or county agencies and private
8 entities. The project shall be for a five-year period beginning
9 on July 1, 2013, and terminating on June 30, 2018.

10 (b) In establishing and operating the demonstration
11 project, the high technology development corporation shall grant
12 preferences to suppliers, distributors, and producers of
13 hydrogen produced from renewable sources of energy and consult
14 with existing projects to determine the design and
15 implementation of the demonstration project.

16 (c) The high technology development corporation shall
17 adopt rules pursuant to chapter 91, Hawaii Revised Statutes, to
18 implement this Act.

1 (d) The high technology development corporation shall
2 submit an annual report on the status of the demonstration
3 project, including any proposed legislation, to the legislature
4 not later than twenty days prior to the convening of the regular
5 sessions of 2014 to 2018.

6 SECTION 2. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$ or so
8 much thereof as may be necessary for fiscal year 2013-2014 and
9 the same sum or so much thereof as may be necessary for fiscal
10 year 2014-2015 for the establishment of hydrogen fueling station
11 demonstration projects.

12 The sums appropriated shall be expended by the high
13 technology development corporation for the purposes of this Act.

14 SECTION 3. This Act shall take effect on July 1, 2050.
