# A BILL FOR AN ACT

5 landfills by diverting food and green waste from landfills to  
6 composting and energy production.

7           The purpose of this Act is to continue the progress to  
8 long-term environmental sustainability by authorizing the Hawaii  
9 public housing authority to enter into contracts with private  
10 businesses to remove food and green waste from the waste stream  
11 for use in other business sectors, including agriculture and  
12 energy generation.

13           SECTION 2. Section 356D-4, Hawaii Revised Statutes, is  
14 amended by amending subsection (a) to read as follows:

15           "(a) The authority may:

16           (1) Sue and be sued;

17           (2) Have a seal and alter the same at pleasure;

- 1 (3) Make and execute contracts and other instruments  
2 necessary or convenient to the exercise of its  
3 powers[+], which may include contracts with private  
4 businesses to remove "food waste" and "green waste",  
5 as those terms are defined in section 342G-1, from  
6 public housing projects; and
- 7 (4) Adopt bylaws and rules in accordance with chapter 91  
8 for its organization, internal management, and to  
9 carry into effect its purposes, powers, and programs."

10 SECTION 3. Statutory material to be repealed is bracketed  
11 and stricken. New statutory material is underscored.

12 SECTION 4. This Act shall take effect on July 1, 2100.
