A BILL FOR AN ACT

RELATING TO FIRE PROTECTION FOR FIREWORKS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. Section 132D-2, Hawaii Revised Statutes, is amended by adding two new definitions to read as follows:

"Permanent fireworks storage building or structure" means a building or structure affixed to a foundation on a site and having fixed utility connections, which is intended to remain on the site for more than one hundred eighty consecutive calendar days in a twelve-month period for the purpose of receiving, storing, or shipping fireworks, but in which no manufacturing of fireworks is performed.

"Temporary fireworks storage building or structure" means a building or structure that is used for fireworks storage for one hundred eighty days or less in a twelve-month period.

SECTION 2. Section 132D-8, Hawaii Revised Statutes, is amended to read as follows:

"§132D-8 Application for license. (a) All licenses required under section 132D-7 shall be issued by the county and shall be nontransferable. Licenses to import shall specify the date of issuance or effect and the date of expiration, which..."
shall be March 31 of each year. The application shall be made on a form setting forth the date upon which the importations are to begin, the address of the location of the importer, and the name of the proprietor or, if a partnership, the name of the partnership and the names of all partners or, if a corporation, the name of the corporation and the names of its officers. The application for a license to import display fireworks, articles pyrotechnic, or aerial devices shall include written documentation of the proposed display event and related contact information in a form prescribed by the applicable county. If the state fire council or county discovers at a later date that a licensee has been convicted of a felony under this chapter, the licensee's license shall be revoked and no new license shall be issued to the licensee for two years.

(b) Each storage, wholesaling, and retailing site shall be required to obtain a separate license. The license shall specify the date of issuance or effect and the date of expiration, which shall be March 31 of each year. The application shall be made on a form setting forth the date upon which the storage, sale, or offers for sale are to begin, the address of the location of the licensee, and the name of the proprietor, or, if a partnership, the name of the partnership
and the names of all partners or, if a corporation, the name of
the corporation and the name of its officers. Any license
issued pursuant to this chapter may be revoked by the county if
the licensee violates any provision of this chapter or if the
licensee stores or handles the fireworks in such a manner as to
present an unreasonable safety hazard.

(c) Permanent and temporary fireworks storage buildings or
structures and buildings or facilities where redistribution
activities are performed shall comply with the currently adopted
county building or fire codes or the latest edition of
nationally recognized standards.

(d) It shall be unlawful for any licensee, other than
a wholesaler who is selling or transferring fireworks or
articles pyrotechnic to a licensed retailer, to sell or offer to
sell, exchange for consideration, give, transfer, or donate any
fireworks or articles pyrotechnic at any time to any person who
does not present a permit duly issued as required by section
132D-10 or 132D-16. The permit shall be signed by the seller or
transferor at the time of sale or transfer of the fireworks or
articles pyrotechnic, and the seller or transferor shall
indicate on the permit the amount and type of fireworks or
articles pyrotechnic sold or transferred. No person shall sell
or deliver fireworks to any permittee in any amount in excess of
the amount specified in the permit, less the amount shown on the
permit to have been previously purchased; provided that no
fireworks shall be sold to a permittee holding a permit issued
for purposes of section 132D-3, more than five calendar days
before the applicable time period under section 132D-3.

[(d)] (e) Aerial devices, display fireworks, or articles
pyrotechnic shall only be sold or transferred by a wholesaler to
a person with a valid permit under sections 132D-10 and 132D-16.
No person with a valid permit under sections 132D-10 and 132D-16
shall sell or transfer aerial devices, display fireworks, or
articles pyrotechnic to any other person.

[(e)] (f) Any license issued pursuant to this chapter
shall be prominently displayed in public view at each licensed
location."
