# A BILL FOR AN ACT

RELATING TO JUVENILE JUSTICE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that in August 2013, the  
2 governor, chief justice, president of the senate, and speaker of  
3 the house of representatives established the Hawaii juvenile  
4 justice working group. The working group was composed of  
5 stakeholders from the executive, legislative, and judicial  
6 branches, as well as representatives from key stakeholder groups  
7 including law enforcement, prosecution, public defense, and  
8 community service providers. The working group was charged with  
9 the development of policies to reduce recidivism and crime by  
10 improving outcomes for youth in the juvenile justice system;  
11 maximizing the effectiveness of Hawaii's correctional dollars  
12 and placement options; and grounding Hawaii's policies in data  
13 and research.

14           The working group's analysis revealed that Hawaii has made  
15 commendable improvements in its juvenile justice system.  
16 Juvenile arrests for serious violent and property offenses fell  
17 twenty-eight per cent between 2002 and 2011, and the number of  
18 youth annually admitted to the Hawaii youth correctional

1 facility declined forty-one per cent as of 2013. However, the  
2 working group also identified several areas needing improvement.

3 Even amidst a decline in commitments to the Hawaii youth  
4 correctional facility, the working group sought to determine  
5 whether commitments to the facility were effectively targeted to  
6 protect public safety. Research reveals that secure facilities  
7 are most effective when targeted toward serious juvenile  
8 offenders who pose a public safety risk. However, when less  
9 serious youth are placed in secure facilities, the risk of  
10 repeat offenses increases. Further, mental health and substance  
11 abuse treatment are often more efficiently and effectively  
12 delivered in a community setting.

13 The legislature also finds that over the last decade, the  
14 proportion of youth in Hawaii confined for nonviolent offenses  
15 has risen, as has the proportion confined for misdemeanor  
16 offenses. In fiscal year 2013, seventy-two and sixty-one per  
17 cent of admissions for a new offense were youth committed for a  
18 nonviolent or misdemeanor offense, respectively. Between fiscal  
19 year 2004 and fiscal year 2013, average lengths of stay in the  
20 Hawaii youth correctional facility rose from 2.5 months to 7.2  
21 months, and forty-six per cent of the commitments to the

1 correctional facility came from the neighbor islands, which are  
2 home to just thirty-one per cent of all youth.

3 The legislature further finds that critical services to  
4 reduce delinquency, including mental health and substance abuse  
5 treatment, are not sufficiently resourced or accessible to  
6 Hawaii's youth.

7 The analysis revealed that each bed in the Hawaii youth  
8 correctional facility costs Hawaii taxpayers more than \$199,000  
9 per year. Despite this level of investment and the longer  
10 lengths of stay, seventy-five per cent of youth released from  
11 the facilities between 2005 and 2007 were re-adjudicated in  
12 family court or re-convicted in the adult criminal justice  
13 system within three years of release.

14 The legislature further finds that the working group also  
15 identified opportunities for strengthening juvenile probation.  
16 During the last decade, probation terms increased one hundred  
17 fifty-five per cent, but probation staff still encounter  
18 significant difficulty in accessing resources for youth on  
19 probation. Furthermore, inconsistent probation practices across  
20 the circuits may lead to disparate treatment of youth.

21 The purpose of this Act is to:

1 (1) Improve and enhance Hawaii's juvenile justice system  
2 by concentrating secure bed space on serious juvenile  
3 offenders and strengthening disposition, adjustment,  
4 diversion, and services available for juvenile  
5 offenders to ensure that family court judges, court  
6 staff, departmental staff, and service providers have  
7 the tools they need to keep youth safely and  
8 effectively in their communities; and

9 (2) Increase interagency collaboration and implement a  
10 temporary oversight committee to continually improve  
11 juvenile justice practices and ensure accountability.

12 SECTION 2. Chapter 352, Hawaii Revised Statutes, is  
13 amended by adding a new section to be appropriately designated  
14 and to read as follows:

15 "§352- Reentry plans; notification. (a) The director  
16 or the director's designee shall develop a comprehensive reentry  
17 plan for each person committed to the Hawaii youth correctional  
18 facilities who is not serving a concurrent term of probation.  
19 The scope of the reentry plan shall address the period of time  
20 from admission to the Hawaii youth correctional facilities until  
21 parole or final discharge from the department. The reentry plan  
22 shall seek to prepare committed persons for transition to the

1 community. The reentry plan required under this section shall  
2 be completed within thirty days of a person's commitment to the  
3 Hawaii youth correctional facilities and shall include:

4 (1) Programming, treatment, and service needs identified  
5 in the most recently conducted risk and needs  
6 assessment;

7 (2) Individualized goals to guide successful reentry to  
8 the community during parole or following final  
9 discharge; and

10 (3) Identification of, and a plan for, coordination with  
11 agencies that can provide or contract for existing  
12 programs and services relevant or necessary for  
13 successful reentry.

14 (b) The director or the director's designee shall consult  
15 with a committed person's parent, legal guardian, or custodian  
16 in developing the terms of the reentry plan and provide written  
17 copies of the plan to the committed person and the committed  
18 person's parent, legal guardian, or custodian. If requested,  
19 the director or the director's designee shall provide regular  
20 updates on the committed person's progress concerning the  
21 reentry plan to the committed person's parent, legal guardian,  
22 or custodian.

1       (c) The director or the director's designee may  
2 collaborate with, and provide information to, the probation  
3 officer of a person committed to the Hawaii youth correctional  
4 facilities who is serving a concurrent term of probation, upon  
5 the probation officer's request, for the probation officer to  
6 incorporate the reentry plan into the person's case plan  
7 required under section 571-A at the probation officer's  
8 discretion.

9       (d) The director or the director's designee shall notify  
10 the parent, legal guardian, or custodian, and any relevant  
11 agency or service provider that may be involved in the person's  
12 transition to the community, at least thirty days prior to  
13 discharging a committed person, of the intended discharge of the  
14 person.

15       (e) The director or the director's designee shall review,  
16 and update if necessary, reentry plans for each person taken  
17 into custody pursuant to section 352-26."

18       SECTION 3. Chapter 571, Hawaii Revised Statutes, is  
19 amended by adding four new sections to be appropriately  
20 designated and to read as follows:

1       "§571-A Probation supervision requirements. Every child  
2 placed on probation pursuant to section 571-48(1)(A) shall be  
3 supervised in accordance with the following requirements:

4       (1) Supervision levels, frequency of contacts with  
5 probation officers and the court, and referrals to  
6 treatment and programs under section 571-31.4(c)(7)  
7 shall be established using, among other factors, the  
8 results of the risk and needs assessment conducted  
9 pursuant to section 571-45;

10       (2) A case plan, as defined in section 571-2, shall be  
11 developed for each child and submitted to the court.  
12 The case plan shall be developed in consultation with  
13 the child and the child's parent, legal guardian, or  
14 custodian. The probation officer assigned to each  
15 child shall keep the child's parent, legal guardian,  
16 or custodian informed regarding development of and  
17 progress toward the case plan, the child's conduct,  
18 compliance with the conditions of probation, and any  
19 other relevant matter in the child's case;

20       (3) A child whose probation term and case plan require  
21 in-person visits with a probation officer shall  
22 receive at least one home visit; provided that the

1 first visit shall take place within forty-five days of  
2 the child's placement on probation; provided further  
3 that a home visit shall not be required when the  
4 probation officer has reasonable perceptions of risks  
5 to the probation officer's safety due to known factors  
6 of violent criminal activity or isolation of the  
7 child's place of residence. The probation officer  
8 shall immediately report any reasonable perceptions of  
9 risks to a supervisor and may receive permission to  
10 waive the home visit requirement for the child or to  
11 conduct the home visit accompanied by another;

12 (4) Probation officers shall have the authority to impose  
13 graduated sanctions in response to a violation of the  
14 rules and conditions of probation, as an alternative  
15 to judicial modification or revocation pursuant to  
16 section 571-50, or to award incentives or rewards for  
17 positive behavior exhibited by the child. The  
18 graduated sanctions and incentives shall be  
19 established as follows:

20 (A) The judiciary shall adopt guidelines and  
21 procedures for the development and application of  
22 a statewide graduated sanctions and incentives

1 system in accordance with this section, and the  
2 deputy chief court administrator in each judicial  
3 circuit, or the administrator's designee, shall  
4 adopt policies or procedures for the  
5 implementation of the adopted graduated sanctions  
6 and incentives system to guide probation officers  
7 in imposing sanctions and awarding incentives;

8 (B) The system shall include a series of presumptive  
9 sanctions for the most common types of probation  
10 violations but shall allow for a child's risk  
11 level and seriousness of violation to be taken  
12 into consideration. The system shall also  
13 identify incentives that a child may receive as a  
14 reward for compliance with the rules and  
15 conditions of probation, completion of  
16 benchmarks, or positive behavior exceeding  
17 expectations, at the discretion of the probation  
18 officer;

19 (C) The system shall be developed with the following  
20 objectives:

- 1            (i) To respond quickly, consistently, and
- 2                            proportionally to violations of the rules
- 3                            and conditions of probation;
- 4            (ii) To reduce the time and resources expended by
- 5                            the court in responding to violations with
- 6                            judicial modification;
- 7            (iii) To reduce the likelihood of a new delinquent
- 8                            act; and
- 9            (iv) To encourage positive behavior;
- 10           (D) At a child's first meeting with a probation
- 11                            officer after being adjudicated and disposed to a
- 12                            probation term, the probation officer shall
- 13                            provide written and oral notification to the
- 14                            child regarding the graduated sanctions and
- 15                            incentives system to ensure the child is aware of
- 16                            the sanctions and incentives that may be imposed
- 17                            or rewarded;
- 18            (E) When issuing a sanction or incentive, the
- 19                            probation officer shall provide written notice to
- 20                            the child of the nature and date of the relevant
- 21                            behavior, the sanction or incentive imposed or
- 22                            rewarded, and, in the case of sanctions, any

1           applicable time period in which the sanction will  
2           be in effect or by which corrective behavior must  
3           be taken. The probation officer shall provide  
4           this information to the court at the next  
5           regularly scheduled review hearing and inform the  
6           court of the child's response to the sanction or  
7           incentive; and

8           (F) Each administrator of the juvenile client  
9           services branch in each judicial circuit shall  
10           report annually to the board of family court  
11           judges and the Hawaii juvenile justice state  
12           advisory council, the number and the per cent of  
13           children on probation who received a graduated  
14           sanction or incentive, the types of sanctions and  
15           incentives used, and the child's current  
16           probation status.

17           §571-B Earned discharge from probation; reporting  
18 requirements. (a) A child placed on probation pursuant to  
19 section 571-48(1) (A) shall be eligible to receive earned  
20 discharge credits to reduce the length of the probation term.  
21 Earned discharge credits shall reduce the term of probation by

1 thirty days for each calendar month of compliance with the rules  
2 and conditions of probation.

3 (b) A child is deemed to be compliant with the rules and  
4 conditions of probation, and shall be awarded earned discharge  
5 credits for the month, if there was no violation of rules and  
6 conditions of probation that month at a level that would warrant  
7 the filing of a petition or violation report. The court, at the  
8 request of the probation officer or on its own motion, may award  
9 discharge credits to children who have demonstrated substantial  
10 compliance with the rules and conditions of probation.

11 (c) The judiciary shall adopt guidelines and procedures  
12 for the awarding of earned credits for discharge from probation.

13 (d) Each administrator of the juvenile client services  
14 branch in each judicial circuit shall annually provide to the  
15 board of family court judges and the Hawaii juvenile justice  
16 state advisory council, the number and per cent of youth who  
17 received earned discharge credits and the number of credits  
18 earned by each youth.

19 §571-C Statewide juvenile justice interdepartmental  
20 cluster; local juvenile justice interdepartmental cluster; high-  
21 need youth services coordination. (a) There is established a  
22 statewide juvenile justice interdepartmental cluster to provide

1 coordinated services, as defined in section 571-2, to certain  
2 children under the jurisdiction of the family court, and to  
3 provide an avenue for regular collaboration between the  
4 judiciary and the child and adolescent mental health division of  
5 the department of health.

6 (b) The statewide cluster shall be composed of  
7 representatives from the major youth-serving agencies with  
8 statewide authority and responsibility. The statewide cluster  
9 shall include, in addition to the judiciary, designees from the  
10 department of education, the department of health, and the  
11 office of youth services. At the discretion of the  
12 representatives in the statewide cluster, community service  
13 providers may be included as regular members.

14 The judiciary shall staff the statewide cluster and  
15 identify a place where development and management of coordinated  
16 services may be carried out on a regular basis.

17 The statewide cluster may establish local juvenile justice  
18 interdepartmental clusters that shall have the ability to refer  
19 individual cases or issues to the statewide cluster for review  
20 and recommendation.

1       The statewide cluster shall establish written policies and  
2 procedures for itself and any local juvenile justice  
3 interdepartmental clusters.

4       (c) Family courts may recommend youth for consideration by  
5 the statewide cluster based on the results of a risk and needs  
6 assessment conducted pursuant to section 571-45 indicating that  
7 a youth is high-need and if the youth is actively involved with  
8 two or more youth-serving agencies.

9       (d) Coordinated services for justice system-involved youth  
10 shall be identified and carried out using a coordinated service  
11 plan, developed during regular meetings of the statewide  
12 cluster. The coordinated service plan shall include:

13       (1) An assessment of the individual needs of the youth;

14       (2) Identification of services currently being provided;

15       (3) Identification of the necessary coordinated services;

16       (4) Identification of the public or private agencies that  
17 can provide the necessary coordinated services to the

18 youth, and a description of how each coordinated  
19 service will be funded;

20       (5) If any necessary coordinated service need cannot be

21 met, a specific explanation as to why the service need  
22 could not be met, such as a lack of funding or

1 unavailability of service, which shall be reported to  
2 the board of family court judges and the Hawaii  
3 juvenile justice state advisory council; and

4 (6) Opportunities for participation from the youth's legal  
5 parent, guardian, or custodian.

6 (e) The statewide cluster shall annually report the number  
7 of cases referred to the cluster, the number of cases in which a  
8 coordinated service plan was established, and the outcome of the  
9 cases. This report shall be submitted to the board of family  
10 court judges and the Hawaii juvenile justice state advisory  
11 council.

12 §571-D Family court; annual report. Each deputy chief  
13 court administrator, or the administrator's designee, shall  
14 submit an annual report to the board of family court judges and  
15 the Hawaii juvenile justice state advisory council that  
16 includes:

- 17 (1) The number and per cent of cases ordered to  
18 administrative monitoring status;  
19 (2) The number and per cent of cases ordered to  
20 administrative monitoring status that were  
21 subsequently closed without a protective supervision  
22 or probation term;

- 1        (3) The number and per cent of youth disposed to a  
2        probation term, and the outcome of the probation  
3        terms;
- 4        (4) The number and per cent of cases committed to a Hawaii  
5        youth correctional facility; the underlying offense or  
6        type of probation violation or revocation  
7        precipitating commitment; and the age, race, and  
8        gender of the child; and
- 9        (5) The number and per cent of cases returned to court  
10       supervision on a maintained probation term following a  
11       release from a Hawaii youth correctional facility."

12       SECTION 4. Section 352-25, Hawaii Revised Statutes, is  
13 amended to read as follows:

14       "**§352-25 Furlough, parole, discharge.** (a) The director,  
15 for good reasons shown to the director's satisfaction, may  
16 furlough or parole any person committed to the director's  
17 custody. The director shall give the court and the prosecutor's  
18 office of the appropriate county a thirty-day notice prior to  
19 discharging a committed person. Prior court approval shall be  
20 obtained when such is specifically required in the commitment  
21 order.

1 No furlough, parole, or discharge shall be granted unless  
2 it appears to the director that there is a reasonable  
3 probability that the person will not violate the law and that  
4 the person's release is not incompatible with the welfare and  
5 safety of society.

6 (b) When granting parole, the director shall consider  
7 whether:

8 (1) The results of a risk and needs assessment indicate  
9 the person is at a lower risk to reoffend;

10 (2) The person has substantially complied with the  
11 facility rules and has had no significant misconduct  
12 in the prior two months;

13 (3) The person has demonstrated efforts toward  
14 rehabilitation;

15 (4) The person is likely to follow the reentry plan  
16 established pursuant to section 352- ; and

17 (5) A home visit has been completed and the living  
18 situation upon parole is determined to be safe and  
19 conducive to rehabilitation.

20 The form of furlough or parole may include return to the  
21 person's own home, transfer to another youth correctional  
22 facility, a group home or foster home placement, or other

1 appropriate alternative. Nonresidential programs may be made  
2 available to selected persons on furlough such that they return  
3 to the facility during nontreatment hours.

4 (c) The director shall submit an annual report to the  
5 board of family court judges and the Hawaii juvenile justice  
6 state advisory council. The report shall include the number of  
7 persons committed to the director's custody who are not serving  
8 a concurrent term of probation, the number of those persons who  
9 were granted parole in the previous year, the length of the  
10 parole term for each paroled person, and the number of persons  
11 on parole who return to the Hawaii youth correctional facilities  
12 for any reason."

13 SECTION 5. Section 352D-4, Hawaii Revised Statutes, is  
14 amended to read as follows:

15 "[~~§~~352D-4~~§~~] **Establishment; purpose.** There is  
16 established within the department of human services for  
17 administrative purposes only the office of youth services. The  
18 office of youth services is established to provide services and  
19 programs for youth at risk under one umbrella agency in order to  
20 facilitate optimum service delivery, to prevent delinquency, and  
21 to reduce the incidence of recidivism among juveniles through  
22 the provision of prevention, rehabilitation, and treatment

1 services. The office shall also be responsible for program  
2 planning and development, intake/assessment, oversight, as well  
3 as consultation, technical assistance, and staff training  
4 relating to the delivery of services.

5 The office shall provide a continuum of services as  
6 follows:

- 7 (1) An integrated intake/assessment and case management  
8 system;
- 9 (2) The necessary educational, vocational, social  
10 counseling and mental health services;
- 11 (3) Community-based shelter and residential facilities;
- 12 (4) Oversight of youth services; and
- 13 (5) Other programs which encourage the development of  
14 positive self-images and useful skills in such youth.

15 The executive director of the office of youth services  
16 shall submit annual reports to the legislature no later than  
17 twenty days prior to the convening of each regular session,  
18 reporting the services or programs funded pursuant to this  
19 section, the number of youth served by each service or program,  
20 and the results of the services or programs funded.

21 To this end, on July 1, 1991, this office shall assume the  
22 responsibilities for juvenile corrections functions, which were

1 temporarily placed in the department of corrections pursuant to  
2 Act 338 of 1987. These functions shall include, but not be  
3 limited to, all responsibilities, under chapter 352, for the  
4 Hawaii youth correctional facilities."

5 SECTION 6. Section 571-2, Hawaii Revised Statutes, is  
6 amended by adding nine new definitions to be appropriately  
7 inserted and to read as follows:

8 "Administrative monitoring" means a legal status of a  
9 child adjudicated for a status offense or a law violation who is  
10 not placed on legal status, but is ordered by the court to  
11 complete a discrete, small number of conditions within a short  
12 time period, and without regular court appearances.

13 "Case plan" means a plan designed to ensure that a child on  
14 probation receives services and programming to achieve  
15 rehabilitation, proper care, and case management. The case plan  
16 may include rules and conditions of probation, goals related to  
17 reducing criminogenic needs, and evidence-based practices,  
18 requirements, services, and opportunities to incorporate the  
19 family.

20 "Coordinated services" means treatment, education, care,  
21 services, and other resources provided by one or more distinct

1 state or local agencies in a coordinated manner for a child who  
2 is involved with two or more youth-serving agencies.

3 "Evidence-based practices" means supervision policies,  
4 procedures, and practices, as well as treatment and intervention  
5 programs, that research demonstrates are likely to reduce  
6 delinquency amongst children in the juvenile justice system.

7 "Home visit" means an announced or unannounced visit to a  
8 child's place of residence, conducted by the child's probation  
9 officer.

10 "Interdepartmental cluster" means the regular coordination  
11 of several agencies, directed by the judiciary, to more  
12 efficiently provide services for high-need, court-involved  
13 children.

14 "Presumptive sanction" means a probation violation sanction  
15 determined by a probation officer from a range of graduated  
16 sanctions for the most common types of violation, adopted by the  
17 judiciary pursuant to section 571-A(4) and based upon  
18 consideration of factors including the nature and severity of  
19 the violation and the child's risk level.

20 "Risk and needs assessment" means a determination, based on  
21 an actuarial tool validated on Hawaii's juvenile justice system-  
22 involved population, of specific factors that predict a child's

1 likelihood of recidivating and criminogenic factors that, when  
2 properly addressed, can reduce the likelihood of recidivating.

3 "Statewide cluster" means the statewide juvenile justice  
4 interdepartmental cluster as established under section 571-C."

5 SECTION 7. Section 571-5, Hawaii Revised Statutes, is  
6 amended to read as follows:

7 "§571-5 Board of family court judges. A board of family  
8 court judges, which shall consist of all the State's family  
9 court judges and district family judges is hereby created. The  
10 board shall annually elect from among its members a chairperson  
11 who shall preside at meetings of the board. The chairperson  
12 shall have no other authority not specifically authorized under  
13 this chapter, or any applicable rule of the supreme court, or  
14 specifically delegated by a majority of the board. The board  
15 shall meet at stated times to be fixed by it but not less often  
16 than once every six months, and on call of the chairperson.

17 The board shall discuss and shall attempt to achieve

5 consolidation of the statistical and other data on the work and  
6 services of such courts and research studies that may be made of  
7 the problems of families and children dealt with by such courts  
8 to the end that the treatment of children and families subject  
9 to the jurisdiction of such courts shall achieve the highest  
10 possible degree of uniformity throughout the State and to the  
11 further end that knowledge of treatment, methods and therapeutic  
12 practices be shared among such courts. The board may also  
13 formulate recommendations for remedial legislation. All actions  
14 by the board shall be subject to the regulatory supervision of  
15 the chief justice of the supreme court."

2 and the child, if of sufficient age and understanding.

3 (b) The deputy chief court administrators of each circuit

3           ~~[(e)]~~ (d) Informal adjustment projects, programs, and  
4 services may be provided through public agencies or private  
5 agencies.

6           ~~[(d)]~~ (e) In the event resources and services for informal

12           (f) Intake officers shall compile annual reports that  
13 include the number and per cent of referrals informally  
14 adjusted, and the number and per cent of children informally

7 where the facts reasonably appear to establish prima facie  
8 jurisdiction and are admitted and where a consent is obtained

10 child, if of sufficient age and understanding. Informal  
11 adjustment under this section may include, among other suitable

1 officer may exercise discretion to process informal adjustment  
2 under section 571-31.4 [~~or 571-31.5~~]. In making that  
3 determination, the officer shall be guided by the criteria set  
4 out in section 571-31.1(c) (1) to (5) [~~7~~] and the criteria in the  
5 framework established pursuant to section 571-31.4(b), taking  
6 into account the availability of suitable method, program, or  
7 procedure for the child."

8 SECTION 13. Section 571-41, Hawaii Revised Statutes, is  
9 amended by amending subsection (d) to read as follows:

10 "(d) In the disposition part of the hearing any relevant  
11 and material information, including [~~that~~] information contained  
12 in a written report, study, or examination, and the results of a  
13 risk and needs assessment of the child conducted pursuant to  
14 section 571-45, shall be admissible, and may be relied upon to  
15 the extent of its probative value; provided that the maker of  
16 the written report, study, or examination shall be subject to  
17 both direct and cross-examination upon demand and when the maker  
18 is reasonably available. The disposition shall be based only  
19 upon the admitted evidence, and findings adverse to the child as  
20 to disputed issues of fact shall be based upon a preponderance  
21 of such evidence."

1 SECTION 14. Section 571-45, Hawaii Revised Statutes, is  
2 amended to read as follows:

3 "§571-45 [Investigation] Assessment and investigation  
4 prior to disposition[-]; suspension of delinquency proceedings;  
5 denial of services reporting. (a) Prior to disposition, the  
6 court shall conduct a risk and needs assessment, using the tool  
7 procured and validated pursuant to section 571-5, for each child  
8 concerning whom a petition has been filed pursuant to section  
9 571-11(1) and (2).

10 (b) [Except where the requirement is waived by the judge]  
11 In addition to the risk and needs assessment, a social study and  
12 a report in writing shall be made in the case of a [minor] child  
13 concerning whom a petition has been filed under section  
14 571-11(1) and (2) [-], except where the judge waives the  
15 requirement to make a social study and a report in writing. The  
16 study shall be initiated upon the filing of a petition except in  
17 petitions filed under section 571-11(1) when it is ascertained  
18 that the [minor] child denies the allegations set forth in the  
19 petition. In such case the study shall proceed only after the  
20 court after hearing has made a finding as to the allegations of  
21 the petition.

1 Except where the requirement is waived by the judge, social  
2 studies shall also be made in proceedings to decide disputed or  
3 undetermined legal custody and in custody disputes arising out  
4 of a divorce action. In all other awards of custody arising out  
5 of a divorce action, including those where an agreement with  
6 respect to custody has been made by the parties, and in any  
7 other case or class of cases, the judge may order a social study  
8 when the judge has reason to believe such action is necessary to  
9 assure adequate protection of the ~~minor~~ child or of any other  
10 person involved in the case. By special order of the judge or  
11 by rule of court a social study may be required in support cases  
12 covering financial ability and other matters pertinent to making  
13 an order of support.. The use of such studies in custody and  
14 support hearings shall be subject to the applicable provisions  
15 of section 571-41.

16 (c) ~~[Social]~~ The results of the risk and needs assessment  
17 and any social studies required by this section shall be  
18 presented to and considered by the judge prior to making  
19 disposition[-] pursuant to section 571-41(d).

20 The judge may order and use a presentence investigation  
21 with respect to any criminal action under the jurisdiction of

1 the court in accordance with the existing provisions of the law  
2 with respect to the making and use of such studies.

3 (d) If the results of the risk and needs assessment  
4 indicate a substance abuse or mental health need, the probation  
5 officer shall immediately refer the child to the department of  
6 health for an eligibility determination.

7 (e) The court, upon the motion of the child or on its own  
8 motion, may order the suspension of the delinquency proceedings,  
9 prior to adjudication, for a period of up to one year to obtain  
10 substance abuse or mental health treatment if the court finds:

11 (1) The child presently needs and is likely to benefit  
12 from treatment; and

13 (2) The suspension of the delinquency proceedings will  
14 advance the interests of justice.

15 No later than one month before the end of the period of  
16 suspension of the delinquency proceedings, the treatment  
17 provider shall submit a report on whether the child has  
18 completed the treatment program.

19 If the court, on the motion of the child or on its own  
20 motion, finds that the child has successfully completed the  
21 treatment program, the court may dismiss the suspended  
22 delinquency proceedings. If the court does not find that the

1 child has satisfactorily completed treatment, the court may  
2 terminate the suspension and proceed with the case.

3 (f) A probation officer referring a child to the  
4 department of health under this section shall report any  
5 subsequent denial of services to the administrator of the  
6 juvenile client services branch in each judicial circuit. The  
7 administrators of the juvenile client services branch shall  
8 submit an annual report compiling all such denials to the board  
9 of family court judges and the Hawaii juvenile justice state  
10 advisory council."

11 SECTION 15. Section 571-48, Hawaii Revised Statutes, is  
12 amended to read as follows:

13 "§571-48 Decree, if informal adjustment or diversion to a  
14 private or community agency or program has not been effected.

15 When a [~~minor~~] child is found by the court to come within  
16 section 571-11, the court shall so decree and in its decree  
17 shall make a finding of the facts upon which the court exercises  
18 its jurisdiction over the [~~minor~~] child. Upon the decree the  
19 court, by order duly entered, shall proceed as follows:

20 (1) As to a child adjudicated under section 571-11(1):

21 (A) The court may place the child on probation:

22 (i) In the child's own home; or

1 (ii) In the custody of a suitable person or  
2 facility elsewhere, upon conditions  
3 determined by the court.

4 An order by the court placing a child on  
5 probation under this subparagraph shall include a  
6 definite term of probation stated in months or  
7 years, subject to extension or modification by  
8 the court pursuant to section 571-50. When  
9 conditions of probation include custody in a  
10 youth correctional facility, the custody shall be  
11 for a term not to exceed one year, after which  
12 time the [~~person~~] child shall be allowed to  
13 reside in the community subject to additional  
14 conditions as may be imposed by the court;

15 (B) The court may vest legal custody of the child,  
16 after prior consultation with the agency or  
17 institution[~~, in~~]:

18 (i) In a Hawaii youth correctional facility[~~,~~  
19 in] if the child has been adjudicated for a  
20 felony-level offense or a violation or  
21 revocation of probation, or is committed to  
22 the facility from juvenile drug court or

girls court on a court order. For a child eligible for placement in a Hawaii youth correctional facility, the court shall enter a finding of fact in the record stating the reasons the child is a public safety risk warranting placement in the correctional facility. No such finding of fact shall be required if the child is adjudicated for a felony against a person or a sex offense;

(ii) In a local public agency or institution~~[, or in];~~

(iii) In any private institution or agency authorized by the court to care for children; or ~~[place the child in]~~

(iv) In a private home.

If legal custody of the child is vested in a private agency or institution in another state, the court shall select one that is approved by the family or juvenile court of the other state or by that state's department of social services or other appropriate department; ~~[or]~~

1           (C) The court may place a child on administrative  
2           monitoring, as defined in section 571-2, pending  
3           completion of conditions as may be imposed by the  
4           court, to preempt the need for disposition to a  
5           full probation term, and to afford the child the  
6           opportunity to demonstrate behavior adjustments.  
7           Upon completion of the court-ordered conditions,  
8           the court shall discharge the child pursuant to  
9           section 571-50. If a child fails to complete the  
10           court-ordered conditions, the court may extend or  
11           modify the order pursuant to section 571-50, or  
12           dispose the child to probation status under  
13           paragraph (1) (A); or

14        ~~(C)~~ (D) The court may fine the child for a violation  
15           which would be theft in the third degree by  
16           shoplifting if committed by an adult. The court  
17           may require the child to perform public services  
18           in lieu of the fine;

19        (2) As to a child adjudicated under section 571-11(2):

20           (A) The court may place the child under protective  
21           supervision, as hereinabove defined, in the  
22           child's own home, or in the custody of a suitable

1 person or agency elsewhere, upon conditions  
2 determined by the court; or

3 (B) The court may vest legal custody of the child,  
4 after prior consultation with the agency or  
5 institution, in a local governmental agency or  
6 institution licensed or approved by the State to  
7 care for children, with the exception of an  
8 institution authorized by the court to care for  
9 children. If legal custody of the child is  
10 vested in a private agency or institution in  
11 another state, the court shall select one that is  
12 approved by the family or juvenile court of the  
13 other state or by that state's department of  
14 social services or other appropriate department;  
15 provided that the child may not be committed to a  
16 public or private institution operated solely for  
17 the treatment of law violators;

18 (3) An order vesting legal custody of a minor in an  
19 individual, agency, or institution under section  
20 571-11(2) shall be for an indeterminate period but  
21 shall not remain in force or effect beyond three years  
22 from the date entered, except that the individual,

1 institution, or agency may file with the court a  
2 petition for renewal of the order and the court may  
3 renew the order if it finds such renewal necessary to  
4 safeguard the welfare of the child or the public  
5 interest. The court, after notice to the parties, may  
6 conduct a hearing on the petition. Renewal may be  
7 periodic during minority, but no order shall have any  
8 force or effect beyond the period authorized by  
9 section 571-13. An agency granted legal custody shall  
10 be subject to prior approval of the court in any case  
11 in which the child is to reside without the  
12 territorial jurisdiction of the court and may be  
13 subject to prior approval in other cases. An  
14 individual granted legal custody shall exercise the  
15 rights and responsibilities personally unless  
16 otherwise authorized by the court;

17 (4) Whenever the court commits a child to the care of the  
18 director of human services or executive director of  
19 the office of youth services, or vests legal custody  
20 of a child in an institution or agency, it shall  
21 transmit with the order copies of the clinical  
22 reports, social study, results of the risk and needs

1           assessment conducted by the court, and other  
2 information pertinent to the care and treatment of the  
3 child, and the institution or agency shall give to the  
4 court any information concerning the child that the  
5 court may at any time require. An institution or  
6 agency receiving a child under this paragraph shall  
7 inform the court whenever the status of the child is  
8 affected through temporary or permanent release,  
9 discharge, or transfer to other custody. An  
10 institution to which a child is committed under  
11 section 571-11(1) or (2) shall not transfer custody of  
12 the child to an institution for the correction of  
13 adult offenders, except as authorized in this chapter  
14 and under chapter 352;

15           (5) The court may order, for any child within its  
16 jurisdiction, whatever care or treatment is authorized  
17 by law;

18           (6) In placing a child under the guardianship or custody  
19 of an individual or of a private agency or private  
20 institution, the court shall give primary  
21 consideration to the welfare of the child;

- 1           (7) In support of any order or decree under section  
2           571-11(1) or (2), the court may require the parents or  
3           other persons having custody of the child, or any  
4           other person who has been found by the court to be  
5           encouraging, causing, or contributing to the acts or  
6           conditions which bring the child within the purview of  
7           this chapter and who are parties to the proceeding, to  
8           do or to omit doing any acts required or forbidden by  
9           law, when the judge deems this requirement necessary  
10          for the welfare of the child. The court may also make  
11          appropriate orders concerning the parents or other  
12          persons having custody of the child and who are  
13          parties to the proceeding. If such persons fail to  
14          comply with the requirement or with the court order,  
15          the court may proceed against them for contempt of  
16          court;
- 17          (8) In support of any order or decree for custody or  
18          support, the court may make an order of protection  
19          setting forth reasonable conditions of behavior to be  
20          observed for a specified time, binding upon both  
21          parents or either of them. This order may require  
22          either parent to stay away from the home or from the

1 other parent or children, may permit the other to  
2 visit the children at stated periods, or may require a  
3 parent to abstain from offensive conduct against the  
4 children or each other;

5 (9) The court may dismiss the petition or otherwise  
6 terminate its jurisdiction at any time;

7 (10) In any other case of which the court has jurisdiction,  
8 the court may make any order or judgment authorized by  
9 law;
