A BILL FOR AN ACT

RELATING TO STATE FUNDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that certain funds and programs are effectively non-functional, having fulfilled their intended purpose. The legislature further finds that any moneys still remaining in these funds or programs would serve the State more effectively if they were deposited into an active fund or to the credit of the general fund.

In 1995, the legislature created the Waialua loan and subsidy program to assist former employees and retirees displaced by the closure of Waialua Sugar Company. However, as noted in the 2012 state auditor's report entitled, "Study of the Transfer of Non-general Funds to the General Fund," the program "is no longer active and there is only one outstanding loan...[accordingly], it is no longer serving the purpose for which it was created." Similarly, in 2001, the Kikala-Keokea infrastructure development fund was created to provide low-interest home construction loans for Kikala-Keokea leaseholders who had been denied loans from traditional financial institutions. However, according to a 2012 state auditor's report...
report, the "fund is no longer active and there are no outstanding loans...the project is projected to have no revenues, no expenses, and no balance for FY2012...[accordingly] it is no longer serving the purpose for which it was created."

The purpose of this Act is to terminate the Waialua loan and subsidy program, the Kikala-Keokea infrastructure development fund, and the Kikala-Keokea housing revolving fund, and to deposit any residual amounts left in either the program or funds into the rental assistance revolving fund or the general fund.

SECTION 2. Section 201H-211, Hawaii Revised Statutes, is amended to read as follows:

"§201H-211 Expenditures of revolving funds under the corporation exempt from appropriation and allotment. Except as to administrative expenditures, and except as otherwise provided by law, expenditures from the revolving funds administered by the corporation under subparts I and J of part III, relating to financing programs, or sections 201H-80, §201H-81, 201H-123, or 516-44 may be made by the corporation without appropriation or allotment by the legislature; provided that no expenditure shall be made from and no obligation shall be incurred against any revolving fund in excess of the amount standing to the credit of..."
the fund or for any purpose for which the fund may not lawfully be expended. Nothing in sections 37-31 to 37-41 shall require the proceeds of the revolving funds identified in subparts I and J of part III, or sections 201H-80, [201H-81,] 201H-123, or 516-44 to be reappropriated annually."

SECTION 3. Section 171-19.5, Hawaii Revised Statutes, is repealed.

["§171-19.5 Infrastructure development fund; establishment. (a) There is established in the state treasury the infrastructure development fund to be administered by the department of land and natural resources. Funds transferred or appropriated by the legislature and moneys received or collected by the department of land and natural resources, as authorized by the legislature, shall be deposited into the infrastructure development fund.

(b) The infrastructure development fund shall be used to provide funding for infrastructure development in the Kikala-Keekea area on the island of Hawaii to benefit residents of Kalapana who have been dispossessed of their homes and lands as a result of the continued volcanic eruptions on the island of Hawaii, which began on January 3, 1983. Proceeds of this fund..."
may be used for necessary expenses in the administration of the fund.

(c) Upon fulfillment of the purposes of this section, any unexpended or unencumbered funds appropriated by the legislature or remaining in the infrastructure development fund as of the close of business on December 31, 2004, shall not lapse into that fund or to the credit of the general fund, but shall be transferred to the credit of the Kikala-Keokea housing revolving fund established in section 201H-81 as of that date, provided that any unexpended or unencumbered moneys that were provided by the office of Hawaiian affairs and deposited into the infrastructure development fund for the purpose of infrastructure development shall be refunded to the office of Hawaiian affairs upon the completion of the fund's intended purpose. No funds shall be transferred until all funding commitments entered into by the department of land and natural resources to complete the design and construction of infrastructure improvements have been executed.
